The Railway Magazine ,1901 **The Railway Year Book** ,1902 *Railway Official Gazette* ,1913 *The Speaker* ,1898 **The Railway Times** ,1880 The Railway Experience Paul Atterbury,2017-02-23 Britain is a country in love with its railway past Nowhere else do the workhorses of the age of steam exert such a pull in no other country is the nostalgia for the days when the railways extended to every corner of the kingdom so strong However the history of station buildings and signal boxes steam and diesel engines goods and postal services main lines and branch lines is only part of the story told here As a cherished part of Britain s heritage it is the impact of the railways on a human level that has truly captured our imagination In more than 50 photographs many of which are previously unpublished Paul Atterbury reveals the people who ran maintained and used them the people for whom the railways were a way of life Railway Times ,1841 *Truth* ,1898

The Impact of the Railway on Society in Britain A. K. B. Evans,J.V. Gough,2017-03-02 Jack Simmons perhaps more than any other single scholar is responsible for the advancement of the academic study of transport history As well as being a co founder of the Journal of Transport History he wrote extensively on a variety of transport related topics and was instrumental in developing the London Transport and the National Railway museums Whilst his death in September 2000 at the age of 85 was a sad loss to the world of transport history the achievements of his life celebrated in this festschrift remain a lasting legacy to succeeding generations of scholars in many fields Concentrating on the theme of the railways and how they dramatically affected the development of Britain and her society this collection touches on numerous issues first highlighted by Professor Simmons which are now central to academic study These include the men who built the railways those who financed the enterprise how the railways affected such everyday issues as tourism the arts and politics as well as the lasting legacy of the railways in a country now dominated by the private car This volume written by former friends students and colleagues of Professor Simmons reflects these interests and provides a fitting tribute to one of the truly great British historians of the twentieth century **Navy and Army Illustrated** ,1903 **The Sketch** ,1898 *The Railways of Great Britain and Ireland Practically Described and Illustrated* Francis Whishaw,1840 **The Sphere** ,1901 **Heritage and Museums** J.M. Fladmark,2015-11-17 Papers from the 1999 conference by the Museum of Scotland Aims to generate international comparison and debate about interpretation and presentation of heritage assets and to examine the role of museums in shaping national identity Aberdeen, 1800-2000 W. Hamish Fraser,Clive Howard Lee,2000 To Mark the New Millennium Aberdeen City Council has commissioned a new history of Aberdeen in two volumes Aberdeen 1800 to 2000 and Aberdeen before 1800 **A Happy Holiday** Cecilia Morgan,2008-06-28 One of the most revealing things about national character is the way that citizens react to and report on their travels abroad Oftentimes a tourist s experience with a foreign place says as much about their country of origin as it does about their destination A Happy Holiday examines the travels of English speaking Canadian men and women to Britain and Europe during the late nineteenth and early twentieth centuries It

describes the experiences of tourists detailing where they went and their reactions to tourist sites and draws attention to the centrality of culture and the sensory dimensions of overseas tourism Among the specific topics explored are travellers class relationships with people in the tourism industry impressions of historic landscapes in Britain and Europe descriptions of imperial spectacles and cultural sights the use of public spaces and encounters with fellow tourists and how such encounters either solidified or unsettled national subjectivities Cecilia Morgan draws our attention to the important ambiguities between empire and nation and how this relationship was dealt with by tourists in foreign lands Based on personal letters diaries newspapers and periodicals from across Canada A Happy Holiday argues that overseas tourism offered people the chance to explore questions of identity during this period a time in which issues such as gender nation and empire were the subject of much public debate and discussion
