Mary Barton Elizabeth Gaskell, 2009-04-05 Mary Barton is beautiful but has been born poor Her father fights for the rights of his fellow workers but Mary wants to make a better life for them both She rashly decides to reject her lover Jem a struggling engineer in the hope of marrying the rich mill owner's son Henry Carson and securing a safe future But when Henry is shot down in the street and Jem becomes the main suspect Mary finds herself hopelessly torn between them She also discovers an unpleasant truth one that could bring tragedy upon everyone and threatens to destroy her **Minutes of Proceedings of the Institution of Civil Engineers** Charles Manby, 2023-10-03 Reprint of the original first published in 1857 **Strangers and the Enchantment of Space in Victorian Fiction, 1830-1865** Kristen Pond, 2023-10-20 Tracing the origins of how we think about strangers to the Victorian period *Strangers and the Enchantment of Space in Victorian Fiction 1830 1865* explores the vital role strangers had in shaping social relations during the cultural transformations of the Industrial Revolution transportation technologies and globalization While studies of nineteenth century Britain tend to trace the rise of an aloof cosmopolitanism and distancing narrative strategies this volume calls attention to the personalizing impulse in nineteenth century literary form investigating the deeply personal reflections on individual and national identities In her book Dr Pond leads the reader through homes of the urban poor wandering the Great Exhibition in the Crystal Palace loitering in suburban neighborhoods riding the railway and touring a country estate Readers will experience how the ordinary can be enchanting and how the mundane can be unexpected discovering a new way of thinking about strangers and their influence on our lives Through an examination of the short and long fictional forms of Martineau Dickens Brontë Gaskell and Braddon this study locates the figure of the stranger as a powerful topos in the story of Victorian literature and the ethics of social relations This book will be ideal for those seeking to understand the dynamics of the stranger in Victorian fiction as a figure for understanding the changing dynamics of social relations in England in the early nineteenth century

Building Procurement Roy Morledge, Adrian J. Smith, Samuel Y. Appiah, 2021-04-12 As an industrial process construction is unique The procurement processes used to achieve the successful completion of built assets requires a different approach to that adopted in most other industries due to the design of buildings being bespoke and the sites being geographically varied The procurement process is central to the success of any construction project and many of the problems which impact construction projects can be traced back to the procurement phase so a good understanding of the methods of procurement the development of a procurement strategy and the influence it has on project success is essential for all those working in the

industry Much has changed in the global construction industry since publication of the second edition of Building Procurement for example the increase in debt burden of many major economies widespread adoption of Building Information Modelling BIM Technology in the industry and the United Kingdom's exit from the European Union This new edition has been rewritten to take account of these significant developments but at its core it continues to provide a critical examination and review of current procurement practices in the UK continental Europe including EU procurement procedures China Middle East and Sub Saharan Africa and the USA It retains its original strong emphasis on the need for clients to establish achievable objectives which reflect the project business case and focuses on development of suitable strategies and management structures to meet those objectives in the current construction climate Building Procurement will be essential reading for senior undergraduate and postgraduate students of construction management and practitioners working in all areas of construction management

The Stanhope & Tyne Railroad Company Rob Langham, 2020-11-15 A lavishly illustrated history of the famous railway company The story of this remarkable line and its varied ways of working are told here

Zenon Vantini Pamela Sambrook, 2021-05-27 In this remarkable study Pamela Sambrook rescues from obscurity the contribution of a former member of Napoleon's Imperial Guard to the development of specialist hotels and catering in the formative years of the railway network in England and France In doing so she interrogates what lies behind some of Zenon Vantini's very real achievements legacies and disasters She asks how far he was driven by his familial background in Elba and his involvement in the political turmoil of early nineteenth century France and to what extent his whole life was known to those around him Vantini's extraordinary life encapsulates the change between two very different worlds the old imperial past and the new age of entrepreneurial risk taking Never shaking off his old political loyalties he believed resolutely that the mobility afforded by railway travel would change Europe fundamentally In the long view he was a component part in the very early years of an industry which revolutionised England and Europe more than did even his hero Napoleon
