Research Workshop whose proceedings are published in this book with papers dealing directly with Timofeeff Ressovsky's life and the green pamphlet **Global Perspectives on Value Education in Primary School** Demircioğlu, Aytekin, 2023-08-18 Global Perspectives on Value Education in Primary School is a comprehensive book edited by a renowned philosophy scholar from Kastamonu University Faculty of Humanities and Social Sciences. In this book, readers will find a comprehensive account of how value education can be effectively delivered in primary schools worldwide. It presents an extensive collection of case studies and examples of values education from different countries and cultures and examines the criteria for selecting and differentiating values that are suitable for primary school level and the methods and approaches for effectively teaching those values. By comparing different approaches and experiences, the book provides valuable insights into the challenges and opportunities for value education in primary schools. This book is highly recommended for anyone interested in values education, including academic scholars, researchers, teachers, university students, and parents. With its rich and diverse range of perspectives and examples, it provides a compelling argument for the importance of values education in our time. Its persuasive problem and solution approach makes Global Perspectives on Value Education in Primary School an essential addition to the literature on education and philosophy.
