The Psammead E. Nesbit, 2012-08-02 *The Psammead* or *the Gifts* was originally published as stories to the Strand Magazine in 1900. The three resulting stories in the trilogy are expanded versions of those stories. They include *Five Children and It* (1902), *The Phoenix and the Carpet* (1904), and *the Story of the Amulet* (1906). These children's stories involve five children who move to the countryside and find a magical fairy that initially grants them wishes; however, each one goes terribly wrong. Then they get a new carpet for the play room and find an egg inside which hatches into a Phoenix and turns the carpet into a magical and fantastic ride. The Phoenix also gives comical resulting wishes. Finally, *Psammead* returns for the final episode, and the children experience adventure and excitement as they delve into the world of fantastic happenings.
