Rainbows Through Tears:

Promise of the Rainbow Through My Tears Richard Claude Valdez, 2011-06-22 Promise of the Rainbow Through My Tears is a collection of romantic lyrical and metaphysical poems together with songs and ballads The themes are a roving vagabond s stroll amongst images scenes and telling experiences Some reflect profound memories pleasant and unpleasant seen through the eyes of childhood and adolescence Some are filled with a young man s romance and ripe with rhyme and imagery While others are introspective and searching an old man s coming to grips with his mortality Above all these poems tell the story of life s journey from the cradle along the dream of life to the grave and beyond The poems themselves are not divided into any particular order or theme they roam much like the authors experiences and gather their own rhythm as their theme dictates Although the poetic style of rhyme is not popular in modern poetry much can be found throughout this collection which accents the author s nonconventional approach to his work What is evident though is the varied themes reflected in this volume which suggests that any reader will find some poem or line that would draw on his or her personal experience

The Rainbow Through the Rain Hugh Cameron, Edna Quammie, 2020-02-10 Sheila was born in Toronto into a cold unemotional family where she was an unexpected and not entirely welcome afterthought Seeking parental attention she embarked on a self destructive path Eventually after many missteps she pulled herself together emigrated to the US got a student loan and graduated as a nurse To pay her student loans she joined the US military During her deployment to Afghanistan she was exposed to unspeakable horrors She fell in love with an army surgeon who had his own emotional problems In spite of suffering from obvious post traumatic stress disorder she resisted being invalided home in order to remain with him Attempting to rescue a child being sexually abused she accidentally killed a man In consequence she was given an other than honorable discharge OTH by the military Suffering from PTSD and addiction problems which she painfully overcame she obtained work in a

nursing home where she fell under the spell of one of the residents who had a world weary cavalier view of life and who talked her into mercy killings the first of which was to protect him from a demented violent resident She eventually reunited with her lover who had also been discharged from the military They were beginning to settle down when through a tangled series of events she was arrested for the mercy killings and was jailed After she was freed from jail they reunited and lived quietly and happily for a time before becoming involved in a violent denouement in a terrorist hostage situation At heart this is a love story filled with all the dilemmas and uncertainties of death and the vicissitudes of life I love thee with the breath smiles tears of all my life And if God choose I shall but love thee better after death *Rainbows in the Mud* Paul

Walking the Rainbow Bridge Chastity White Rose,2025-06-28 The year is 2025 Many strange things have happened this year This year is a time of economic collapse with rising unemployment rates and a lack of ability to communicate or listen Many of my people have committed suicide this past year in response to the hatred they have received You may wonder what it is I am talking about I am speaking primarily about the LGBTQIA community and the violence and discrimination against them In many places it is possible to be killed for not appearing as the gender someone wants you to look or talk like It is also possible that your family will disown you and kick you out of the house before you have graduated high school because they found out that you are attracted to someone of the same sex rather than the opposite sex Transgender and gay people are not the only ones who face additional challenges Racism also appears to be increasing or at the very least becoming more apparent With the growing number of companies ending their Diversity Equity and Inclusion policies people on Facebook Reddit Quora and LinkedIn are asking questions about what it means Will they be fired because they are black Will they be deported to their country of origin even if they have legally immigrated to the United States Will the marriages of millions of gay bisexual or transgender people be no longer considered legal And perhaps more importantly how can anyone afford to live when they are losing their jobs prices are rising and they cannot get new jobs because the Artificial Intelligence

overlords have decided their resume is not good enough to pass to a real human to read it These questions deserve answers but it will not happen unless we have difficult conversations The purpose of this book is to help us start the conversation Many people are afraid to talk about it because the cost of being known for being different is great Some prefer to stay in the closet and hide to their safety I am not one of them however I am too autistic for my own good and I decided to start the conversation with this book by writing my current understanding and experiences As a Transgender Asexual I have a voice quite different than what you will hear from other members of my Rainbow people I hope my words are of help to you and that you have feedback for me to improve as I write about every topic relevant to my people *Rainbow Bridge* Wen Shaoxian,2011-03-01 In October 2002 WHO of the United Nations listed China s Great Leap Forward the two world wars and Stalin s purge movement as the three most disastrous events of mankind in the 20th century Rainbow Bridge reflects the chaotic years of the Three Red Banners pursued by the Communist Party of China CPC The Three Red Banners namely the CPC s General Line for Socialist Construction the Great Leap Forward and the people s communes focally representing the radical economic line of the CPC in late 1950s to early 1960s This line had pushed the Chinese national economy to the verge of collapse The novel exposes the shaping the complete process and the disastrous consequences of the Three Red Banners with the Great Leap Forward as the main episode through continuing describing Simon Chan s experience and his relations with the people of various strata around him It faithfully depicts the unprecedented nation wide great famine caused by the Three Red Banners in an all round way The great famine which leads to the death of more than thirty millions of people lasts for as long as three years The genuine friendship between Simon and Phoenix fostered through weal and woe during that time their subtle relations and the tragedy in which Phoenix this innocent artless and beautiful country girl drowns herself in the Rainbow River as a protest against the ultra Leftist line are an exceptionally sad and touching story of the Great Leap Forward The novel gives authentic and detailed descriptions of all these things Rainbow Bridge is the first and the only novel that exclusively gives a vivid authentic and all round narration of the Great Leap Forward movement so far Flotsam & Jetsam Jully Makini,2007
