Raincoast Macabre Philip Teece,1991 **The Guide to Amateur Astronomy** Jack Newton,Philip Teece,1995-01-19
How do you choose your first telescope Or build one from first principles What can the deep sky offer you season by season
How do you get started in astrophotography And progress to CCD imaging The Guide to Amateur Astronomy answers the
questions of the novice and the experienced amateur astronomer in one easy to use and comprehensive account Throughout
the emphasis is on practical methods to get you started and then develop your skills with lavish illustrations to show you just
what is possible This second edition of the highly successful Guide has been fully revised and updated It now takes you from
basic piggyback astrophotography through the use of a cold camera to state of the art CCD imaging from studies of the
planets to the most distant objects in the Universe From guidelines for the care and adjustment of your telescope through to
lists of the spectral classification of stars amateur astronomy societies and clubs all the information you need for your voyage
of discovery and revelation is provided in this self contained helpful guide **International Books in Print** ,1990 **B C**
L A Reporter British Columbia Library Association,1991 *Canadian Books in Print* ,2003 The Arbutus/Madrone Files
Laurence Ricou,2002 This lively and perceptive look at the literature of the U S and Canadian Pacific Northwest explores the
dynamics of the cross border region using resonant quotations poetry song lyrics and art to demonstrate and enhance Laurie
Ricou s critical readings and ideas Canadian Book Review Annual Joyce M. Wilson,2001 **B C Studies** ,1991

Association,1991 *Animals and the Environment* Lisa Kemmerer,2015-05-01 Contemporary Earth and animal activists
rarely collaborate perhaps because environmentalists focus on species and ecosystems while animal advocates look to the
individual and neither seems to have much respect for the other This diverse collection of essays highlights common ground
between earth and animal advocates most notably the protection of wildlife and personal dietary choice If earth and animal
advocates move beyond philosophical differences and resultant divergent priorities turning attention to shared goals both
will be more effective and both animals and the environment will benefit Given the undeniable seriousness of the
environmental problems that we face including climate change and species extinction it is essential that activists join forces
Drawing on a wide range of issues and disciplines ranging from wildlife management hunting and the work of NGOs to ethics
ecofeminism religion and animal welfare this volume provides a stimulating collection of ideas and challenges for anyone else
who cares about the environment or animals *A Lover's Quarrel* Carmine Starnino,2004 Already an award winning poet
Carmine Starnino has also made his mark as a literary critic of great pluck probity and irreverence His highly regarded often
highly controversial writings on poetry have enlivened and often enraged the Canadian literary scene since they first began
appearing in the late 1990s He has tackled the careers of some of this country s most notable poets among them Irving
Layton Michael Ondaatje Anne Carson Tim Lilburn Susan Musgrave Christopher Dewdney and done so in prose of great

subtlety and style Indeed in Starnino s literary criticism seditiousness and insight are made to live inside sentences that always square their shoulders and draw themselves to their full verbal height A Lover s Quarrel culls some of the highlights of Starnino s dissenting exploits and includes the never before published title essay an ambitious reassessment of Canadian poetry For readers unfamiliar with Starnino s criticism the release of A Lover s Quarrel furnishes the perfect opportunity to read one of the few critics in Canada who can speak his mind and speak it well Index de Périodiques Canadiens ,2000
