Ordained Before the World: A Catholic Apologetic James E. Boardman, 2016-12-31 What is an apologetic Simply put an apologetic is an argument meant to persuade Trial lawyers use apologetics every day to persuade juries and judges to adopt their point of view But we too are exposed to apologetics everyday as we listen to advertising touting one product over another or as we listen to our lawn care provider explain why we should continue using him to mow our lawn and trim our shrubs instead of a cheaper company down the street No high theology to be found here To the contrary this course arms Catholics both young and old with easy to understand basics necessary to defend their Catholic Faith and to comfortably share this faith with others If you are just beginning your walk as a newly committed Catholic or if you are a Cradle Catholic

Family Secrets Gloria González-López, 2017-06-20 Real personal accounts of sixty Mexican women and men affected by incest and sexual violence In *Family Secrets* Gloria González-López tells the life stories of women and men in Mexico whose lives were irrevocably changed in the wake of childhood and adolescent incest In Mexico a patriarchal religious society where women are expected to make themselves sexually available to men and where same sex experiences for both women and men bring great shame incest is easily hidden seldom discussed and rarely reported to authorities Through a gripping emotional narrative González-López brings the deeply troubling hidden and unspoken issues of incest and sexual violence in Mexican families to light She contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it She examines the strong bonds of familial obligation between parents and children brothers and sisters and elders and youth that in the case of incest can morph into sexual obligation the codes of honor and shame reinforced by tradition and the Church discouraging openness about sexual violence and trauma and the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse A riveting account *Family Secrets* turns a feminist and sociological lens on a disturbing issue that has gone unnoticed for far too long

Crabgrass Catholicism Stephen M. Koeth, 2025-08-19 How suburbanization was a crucial catalyst for reforms in the Catholic Church The 1960s in America were a time of revolt against the stifling conformism embodied in the sprawling uniform suburbs of the 1950s Typically the reforms of the Catholic Church's Second Vatican Council which aimed to make the Church more modern and accessible are seen as one result of that broader cultural liberalization Yet in Crabgrass Catholicism Stephen M Koeth demonstrates that the liberalization of the Church was instead the product of the mass suburbanization that began some fifteen years earlier Koeth argues that postwar suburbanization revolutionized the Catholic parish the relationship between clergy and laity conceptions of parochial education and Catholic participation in US politics and thereby was a significant factor in the religious disaffiliation that only accelerated in subsequent decades A novel exploration of the role of Catholics in postwar suburbanization Crabgrass Catholicism will be of particular interest to urban

Sustaining Faith Traditions Carolyn Chen, Russell Jeung, 2012-07-06 The landscape of U.S. immigration has changed dramatically since Herberg first published his theory Most of today's immigrants are Asian or Latino and are thus unable to shed their racial and ethnic identities as rapidly as earlier European immigrants And rather than a flexible labor based economy allows little in the way of class mobility for some immigrants and rapid mobility for others **The Catholic Revolution** Andrew Greeley, 2004-03-10 How a mere generation after Vatican Council II initiated the biggest reform since the Reformation can the Catholic Church be in such deep trouble The question resonates through this new book by Andrew Greeley the most recognized respected and influential commentator on American Catholic life A timely and much needed

review of forty years of Church history The Catholic Revolution offers a genuinely new interpretation of the complex and radical shift in American Catholic attitudes since the second Vatican Council 1962 1965 Drawing on a wealth of data collected over the last thirty years Greeley points to a rift between the higher and lower orders in the Church that began in the wake of Vatican Council II when bishops euphoric in their temporary freedom from the obstructions of the Roman Curia introduced modest changes that nonetheless proved too much for still rigid structures of Catholicism the new wine burst the old wineskins As the Church leadership tried to reimpose the old order clergy and the laity newly persuaded that unchangeable Catholicism could in fact change began to make their own reforms sweeping away the old rules that no longer made sense The revolution that Greeley describes brought about changes that continue to reverberate in a chasm between leadership and laity and in a whole generation of Catholics who have become Catholic on their own terms Coming at a time of crisis and doubt for the Catholic Church this richly detailed deeply thoughtful analysis brings light and clarity to the years of turmoil that have shaken the foundations if not the faith of American Catholics
