

BLIND SPOTS: THE CASE OF THOMSON

Shirley Nazzari-Schick

Thomson is the Arab historian that has possibly contributed most significantly to those who either are students, militant historians, radical leftists, and indigenous movements in the Middle East. Her appeal, Adams, turned into one of the military strongholds of the British Empire surrounded by partly allied countries under a British protectorate which, in contrast with mainstream Islam, were prisoners of archaic ideas of social and political life. Surprisingly, it was South Yemen that was chosen as a laboratory for testing the ability to create power by the Movement of Arab Nationalists (MAN), one of the oldest groups of pan-Arab nationalists, along with Nasserism and Ba'athism. The MAN created there a strictly clandestine political organization — the National Front — to trigger and lead a broad popular armed struggle for liberation.

A five-year armed struggle further enhanced the radicalization of the MAN that had originated a diverse set of political actors inspired by different ideologies and ethnic considerations — Nasser's Egypt, Baath's Syria, the USSR, the world anti-imperialist movement, revolutionary China, and the Algerian war of liberation. In numerous violent clashes with its rivals the MAN made the support base, mainly because it had received the most a broad parent base in the international, where it had distinguished many leftist and class struggles as its main allies against the ideological spectrum, a few level of religious, the radicalizing influence of collective violence, and the political skills of the leaders of the left wing of the MAN participated a more surprising critical turn of the newly independent state — to Islamism.

Professor Fred Halliday, author of *Arabia without Borders*, has written that "no one is better qualified to address this issue than Shirley Nazzari-Schick, a Russian specialist long resident in South Yemen and personally acquainted with many of its key actors. His accounts of South Yemen's politics in the 1970s draw extensively on interviews and Arabic sources, and were the only one in its initial and repressed context."

Professor Shirley Nazzari-Schick is a prominent Russian scholar who worked in education in Moscow and in Cairo and has lived for many years in the Arab world. His long conversations with many of the characters described in this book have allowed him great insight into this most intriguing period in Yemen's history, inseparable by violence.

Red Wolves Of Yemen

Roger Hardy

Red Wolves Of Yemen:

Red Wolves of Yemen Vitaliĭ Viacheslavovich Naumkin,2004 **Yemen and the World** Laurent Bonnefoy,2018 The influence of Yemen and its people extends far beyond its nominal borders both historically and in the present day as Laurent Bonnefoy reveals **South Yemen's Independence Struggle** Anne-Linda Amira Augustin,2021-11-30 A bold firsthand account of one of the persistent Arab uprisings in Yemen At its beginning in 2007 the Southern Movement in South Yemen was a loose merger of different people most of them former army personnel and state employees of the People s Democratic Republic of Yemen PDRY who were forced from their jobs after the war in 1994 only four years after the unification between the PDRY and the Yemen Arab Republic This bold ethnographic account of a persistent Arab uprising in a rarely studied corner of the Middle East explores why the Southern Movement has grown so tremendously during the last decade and how it developed from a primarily social movement demanding social rights into a mass protest movement claiming independence for a state that had long vanished from the world map Anne Linda Amira Augustin asks why so many young people born after 1990 joined the movement and demanded the re establishment of a state that they had never themselves experienced At the core of South Yemeni resistance lies the transmission from generation to generation of a dominant counternarrative which may be seen as the continuation and rehabilitation of the PDRY s national narrative This narrative amplified through everyday communication in families and neighborhoods but also by media makers journalists school and university teachers civil society actors and by the movement s activists opposes the national unity narrative of the Republic of Yemen and intensifies the demands for an independent state **The Cold War** Spencer C. Tucker,2020-10-27 This sweeping reference work covers every aspect of the Cold War from its ignition in the ashes of World War II through the Berlin Wall and the Cuban Missile Crisis to the collapse of the Soviet Union in 1991 The Cold War superpower face off between the Soviet Union and the United States dominated international affairs in the second half of the 20th century and still reverberates around the world today This comprehensive and insightful multivolume set provides authoritative entries on all aspects of this world changing event including wars new military technologies diplomatic initiatives espionage activities important individuals and organizations economic developments societal and cultural events and more This expansive coverage provides readers with the necessary context to understand the many facets of this complex conflict The work begins with a preface and introduction and then offers illuminating introductory essays on the origins and course of the Cold War which are followed by some 1 500 entries on key individuals wars battles weapons systems diplomacy politics economics and art and culture Each entry has cross references and a list of books for further reading The text includes more than 100 key primary source documents a detailed chronology a glossary and a selective bibliography Numerous illustrations and maps are inset throughout to provide additional context to the material **Hadhramaut and its Diaspora** Noel Brehony,2017-06-30 The Hadhramis of Yemen have migrated for centuries in large numbers establishing a diaspora that extends around the Indian Ocean Saudi Arabia and the

other Gulf States This migration has deeply affected the host countries as well as Hadhramaut itself Yet the region has not been able to use its population size capabilities or resources to wield significant political influence in successive Yemeni regimes This book examines the people of the Hadhrami diaspora who travelled as religious scholars traders labourers and soldiers to understand their enduring influence and identity In doing so the book explores key aspects of their history including the impact of Yemeni nationalist movements the significance of land reforms the importance of social and tribal origins and how the Hadhrami resisted European domination as a Muslim community Although a distinctive part of geographical Yemen Hadhramaut was not regarded as a Yemeni political entity until the twentieth century This research asks if the recent turmoil in Yemen following the Arab Spring the growth of Al Qaeda and ISIS and war involving a coalition led by Saudi Arabia will produce even greater instability in the region or perhaps lead to a united Yemen a restored South Yemen or even to Hadhramaut as an independent state

Mad Mitch's Tribal Law Aaron Edwards, 2014-04-30 Aden 20 June 1967 two army Land Rovers burn ferociously in the midday sun The bodies of British soldiers litter the road Thick black smoke bellows above Crater town home to insurgents who are fighting the British backed Federation government Crater had come to symbolise Arab nationalist defiance in the face of the world's most powerful empire Hovering 2 000 ft above the smouldering destruction a tiny Scout helicopter surveys the scene Its passenger is the recently arrived Commanding Officer of the Argyll and Sutherland Highlanders Lieutenant Colonel Colin Mitchell Soon the world's media would christen him Mad Mitch in recognition of his controversial reoccupation of Crater two weeks later Mad Mitch was truly a man out of his time Supremely self confident and debonair he was an empire builder not dismantler and railed against the national malaise he felt had gripped Britain's political establishment Drawing on a wide array of never before seen archival sources and eyewitness testimonies Mad Mitch's Tribal Law tells the remarkable story of inspiring leadership loyalty and betrayal in the final days of British Empire It is above all a shocking account of Britain's forgotten war on terror

Encyclopedia of Insurgency and Counterinsurgency Spencer C. Tucker, 2013-10-29 A fascinating look at the insurgencies and counterinsurgencies throughout history with a concentration on the 20th and 21st centuries This encyclopedia examines insurgencies and the counterinsurgency efforts they prompt through history addressing military actions and the techniques and technologies employed in each conflict significant insurgency leaders and the leading theorists with emphasis on the small wars of the 20th century and most recent decades The clear concise entries provide a breadth of coverage that ranges from the Maccabean Revolt in 168 143 BCE and the Peasants Revolt in Germany in the 1500s to the American Revolutionary War and the ongoing insurgency in Syria Readers will gain a solid understanding of how insurgency warfare and counterinsurgency COIN strategy has played a key role in the U S conflicts in Afghanistan and Iraq in the early 21st century and grasp how this important military strategy has evolved during modern times

LIFE , 1964-09-18 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of

professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **The Poisoned Well** Roger Hardy,2019 In *The Poisoned Well* veteran BBC journalist Roger Hardy presents a realist s history of the Middle East by weaving together stories of political strife and vivid firsthand accounts to illustrate that the current conflicts and crises of the Middle East are borne out of the troubled legacy of Western imperialism in the region **An Atlas of Middle Eastern Affairs** Ewan W. Anderson,Liam D. Anderson,2013-12-04 This revised and updated atlas provides accessible concisely written entries on the most important current issues in the Middle East combining original maps with their geopolitical background Providing a clear context for analysis of key concerns it includes background topics the position of the Middle East in the world and profiles of the constituent countries
