Redemptive Work Railway And Nation In Ecuador 1895 193:

The Redemptive Work Kim A. Clark, 1998-01-01 A CHOICE Outstanding Academic Book Professor Kim Clark explores a time period and country for which little has been published in English By studying the dimensions of politics and culture as one Professor Clark argues that the local railroad case served as a demonstration of some of the problems that were most important during the liberal period At the turn of the century diverse political economic and social conditions divided Ecuador During the construction of the Guayaquil Quito Railway the people of Ecuador faced the challenge of working together The Redemptive Work Railway and Nation in Ecuador 1895D1930 examines local regional and national perspectives on the building of the railway and analyzes the contradictory processes of national incorporation Rather than examining the formation of Ecuador s national identity Professor Clark analyzes the methods of two groups working on the same project but with opposing goals The elite landowners of the highlands were concerned with the transportation of their agricultural products to the coast while the agro export elite of the coast were more interested in forming a labor market Because the underlying objectives were contradictory only a partial consensus was reached on the nature of national development This tense agreement channeled the conflicting opinions but did not eliminate them The Redemptive Work is the first text to deal with these complex issues in Ecuador s history The Redemptive Work is useful for undergraduate and graduate courses in Latin American history social history anthropology political science and nation and state formation The History of Ecuador George M. Lauderbaugh, 2012-02-25 This handbook provides an unmatched comprehensive political history of Ecuador written in English Ecuador is a nation of over 13 million people its area between that of the states of Wyoming and Colorado Like the United States Ecuador s government features a democratically elected President serving for a four year term The Gal pagos Islands well known as the birthplace of Darwin s Theory of Evolution are part of a province of Ecuador The History of Ecuador focuses primarily on the political history of Ecuador and how these past events impact the nation today This text examines the traditions established by Ecuador s great caudillos strong men such as Juan Jos Flores Gabriel Garc a Moreno and Eloy Alfaro and documents the attempts of liberal leaders to modernize Ecuador by following the example of the United States This book also discusses three economic booms in Ecuador s history the Cacao Boom 1890 1914 the Banana Boom 1948 1960 and the Oil Boom 1972 1992 **Humanities** Lawrence Boudon, 2005-02-01 The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies Latin American Research Review Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook

annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Lawrence Boudon of the Library of Congress Hispanic Division has been the editor since 2000 and Katherine D McCann has been assistant editor since 1999 The subject categories for Volume 60 are as follows Art History including ethnohistory Literature including translations from the Spanish and Portuguese Music Philosophy Latin American Thought **Handbook of Latin American Studies, Vol. 60** Lawrence Boudon,2005-02-01 The one source that sets reference collections on Latin American studies apart from all other geographic areas of the world The Handbook has provided scholars interested in Latin America with a bibliographical source of a quality unavailable to scholars in most other branches of area studies Latin American Research Review Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Lawrence Boudon of the Library of Congress Hispanic Division has been the editor since 2000 and Katherine D McCann has been assistant editor since 1999 The subject categories for Volume 60 are as follows Art History including ethnohistory Literature including translations from the Spanish and Portuguese Music Philosophy Latin American Thought *Hapi, Hispanic American Periodicals Index 2001* ,2002-04 The Redemptive Work A. Kim Clark,1998 At the turn of the century diverse political economic and social conditions divided Ecuador During the construction of the Guayaquil Quito Railway the people of Ecuador faced the challenge of working together The Redemptive Work Railway and Nation in Ecuador 1895 1930 examines local regional and national perspectives on the building of the railway and analyzes the contradictory processes of national incorporation The elite landowners of the highlands were concerned with the transportation of their agricultural products to the coast while the agro export elite of the coast were more interested in forming a labor market Because the underlying objectives were contradictory only a partial consensus was reached on the nature of national development The Redemptive Work is the first text to deal with these complex issues in Ecuador s history It is useful for undergraduate and graduate courses in Latin American history social history anthropology political science and nation and state formation Latin American Studies Ana María Cobos,Ana Lya Sater,2002 The Latin American studies collections at many community junior and four year colleges and large public libraries often contain

materials that are too specialized uneven outdated incomplete or written in Spanish or Portuguese thus rendering them essentially useless to English reading patrons Better materials are out there but librarians simply have not had until now a good resource guide to help in locating them This work designed as an acquisitions tool for colleges and libraries is an annotated bibliography of approximately 1 400 recommended books published from 1986 through 2000 in the field of Latin American studies It is divided into chapters that deal with reference works descriptive accounts and travel guides the humanities language and literature the social sciences and science and technology For the purposes of this book Latin America is defined as all geographic locations south of the Rio Grande While these are chiefly Spanish and Portuguese speaking regions works about French English and Dutch speaking areas are also included The literary works of authors living abroad are included if they are considered quintessentially Latin American Periodicals children s literature audio visual resources and works about the Hispanic and Latino experience in the United States are not included The majority of the works presented here were selected based on reviews from Booklist Choice Hispanic American Historical Review Library Journal Los Angeles Times Book Review New York Review of Books New York Times Book Review and Publisher s Weekly also consulted were the catalogs of major university presses that focus on Latin American studies **Die Internationalität**
