Rediscovering The Fatherheart Of God:

Rediscovering the Ministry of Blessing Russ Parker, 2014-02-20 The Bible teaches us Russ Parker writes that blessing is a unique ministry resource gifted to believers to effect the purposes of God in peoples lives In this enthralling book the author tells of situations of family estrangement depression and chronic illness of times of hopelessness and helplessness where miraculous transformation has been wrought through calling on God to bless someone with the richest blessing they are able to receive As he has travelled the country teaching on the ministry of blessing Russ has seen an enthusiastic response and uptake especially amongst those involved in prayer ministry He believes it is time for all who want to be part of God s renewal both in church and through reaching out to the wider community [The Messages Of Rediscovering the Kingdom](#)

Myles Munroe, 2006 When governments collapse human philosophies fail and your life is crashing down around you Rediscovering the Kingdom will become your guide through the treacherous storms of the 21st century All of the past ideologies have failed humanism communism totalitarianism fascism socialism and even democracy This is a philosophy an ideology that will not fail for it was bore in the heart of God Himself As Dr Munroe unveils the reality and the power of the Kingdom of God you will be challenged to the core of your religious soul as you discover realities that few have seen let alone talked about Rediscovering the Kingdom will defy almost every concept you have about religion as it shifts the focus away from religion towards the ultimate issue the Kingdom of God Container [Rediscovering the Good News of the Gospel](#)

Bruce E. Gibson, 2025-09-30 Historically methods of sharing the good news of the gospel have often been incomplete because the limited message has focused on sin sin removal avoidance of hell and ultimately heaven Within that context each group offers its guaranteed process sometimes sold as the exclusive process to avoid hell because avoiding hell seems to have been the best motivation to make converts As a result the gospel is often not perceived as life giving good news but as an allegiance to a religious team to avoid wrath and punishment And teams compete against other teams Consequently a growing number of people are walking away from the good news as presented This is particularly polarizing when the available responses seem to vacillate between the extremes of embracing the methods and traditions hook line and sinker without asking questions or forsaking the gospel the church and God To address this situation Bruce E Gibson verbalize questions that he thinks other Christians contemplate but do not have a safe place to discuss Join the conversation to embrace and address these questions **The Father'S Heart** Caleb Plumb, 2013-11-27 There is a revolution happening
