Reevaluating Eisenhower American Foreign Policy In The 1950s:

Reevaluating Eisenhower David Allan Mayers, 1988-01-15 These essays offer diverse opinions and provocative insights They are a welcome reflection of current scholarly assessments of Eisenhower Dulles foreign policies Journal of American History Probably the most balanced analysis of Eisenhower's handling of foreign and national security policy that has yet appeared this book deserves to be widely read Highly recommended Choice

Reevaluating Eisenhower Richard A. Melanson, 1987 *Dwight Eisenhower and American Foreign Policy during the 1960s* Richard M. Filipink Jr., 2014-12-24 Dwight Eisenhower had a measurable impact on the foreign policy decisions of his Democratic successors during the 1960s due to his reputation as a military and foreign policy expert as well as his continued popularity when and after he left office Eisenhower sought to influence his successors policies for a number of reasons including his underrated partisanship his desire to protect the reputation of his administration and his real concerns about the ability of his successors to successfully counter the communist challenge to American interests Despite his steadily declining health Eisenhower played both a public and behind the scenes role in shaping American foreign policy during the 1960s that had long term consequences for the country This book traces the interactions between Eisenhower and his two successors from the pre inaugural meetings with John F Kennedy their direct contacts on Cuba the use of intermediaries such as John McCone and General Andrew Goodpaster and the constant contact initiated by Lyndon B Johnson Through these direct and indirect contacts Eisenhower constrained the choices available to Kennedy and Johnson and shaped the politics and policies of the United States until the final months of his life

The History of American Foreign Policy from 1895 Jerald A Combs, 2015-02-12 This important text offers a clear concise and affordable narrative and analytical history of American foreign policy since the Spanish American War The book narrates events and policies but goes further to emphasize the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves

American Foreign Relations Reconsidered Gordon Martel, 2002-11-01 This major new textbook brings together twelve of the leading scholars of U S foreign relations Each contributor provides a clear concise summary of an important period or theme in US diplomatic and strategic affairs since the Spanish American War Michael Hunt and Joan Hoff provide an overview of the traditions behind US policy and a preview of things to come Together the contributors offer a succinct explanation of the controversies and questions that historians have grappled with throughout the twentieth century Students will find these essays a reliable and useful guide to the various schools of thought which have emerged Although each of the scholars is well known for their detailed and original work these essays are new and have been specially commissioned for this book The articles follow the chronological development of the emergence of the United States as a world power but special themes such as the American policy process economic interests relations with the Third World and the dynamics of the nuclear arms race have been singled out for

separate treatment American Foreign Relations Reconsidered 1890 1993 represents essential reading for upper level undergraduates studying modern American history The book has been designed and written exclusively to meet the needs of students either as a major course text or as a set of supplementary readings to support other texts US Foreign Policy Decision-Making from Truman to Kennedy A. Hybel, 2014-03-12 The book has three objectives to expose students to the ways different US presidents handled major foreign policy making problems to test the explanatory value of alternative decision making models And to reintroduce students to a wide range of critical US foreign policy issues *A Companion to Dwight D. Eisenhower* Chester J. Pach, 2017-04-10 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history *Historical Dictionary of the 1950s* Bloomsbury Publishing, 2000-07-30 Today Americans look back nostalgically at the 1950s an era when television and rock and roll revolutionized popular culture and Vietnam race riots drug abuse and protest movements were still in the future With homes in the suburbs new automobiles and the latest electrical gadgets many Americans believed they were the most prosperous people on earth Yet the era was tainted by the fear of thermonuclear war with the Soviet Union deepening racial tensions and discontent with rigid roles for women and the demands of corporate conformity A sense of rebellion had begun to brew behind the facade It manifested itself in rock and roll the budding civil rights movement and the appearance of a youth culture eventually exploding in the 1960s Providing a comprehensive overview this book includes entries on the prominent people major events issues scandals ideas popular culture and court cases of the decade that gave rise to the tensions of the 1960s Perceptions of China and White House Decision-Making, 1941-1963 Adam S.R. Bartley, 2019-11-26 This book assesses and evaluates the decision making behavior of United States presidents and their chief advisers from Roosevelt to Kennedy pertaining to China Seeking to dispel with the notion that each administration sought policy outcomes on the basis of a rational decision making model Bartley highlights the contradictions of adopted presidential decision making processes and the nature of domestic politics as playing prejudicial and debilitating roles The book demonstrates that elite decision making processes interacted with assumptions made about Chinese behavior interests and attitudes only superficially and in some cases not at all Misinformation and misperception were the natural outcomes Reinforced by the politics of McCarthyism at home intellectual debate on China policy was squashed parochialism

and nuance were shunned and information was closed off Ultimately a divorce between the norm of behavior and the search for rational policy was registered in each administration The net result was a lasting and destructive cognitive dissonance to fit expectations of a China reality constructed information was ignored overlooked and distorted Offering new insights into the China policies of consecutive administrations from 1941 to 1963 this volume will be of great interest to scholars and students of American foreign policy security studies and international relations A Companion to American Foreign Relations Robert Schulzinger, 2008-04-15 This is an authoritative volume of historiographical essays that survey the state of U S diplomatic history The essays cover the entire range of the history of American foreign relations from the colonial period to the present They discuss the major sources and analyze the most influential books and articles in the field Includes discussions of new methodological approaches in diplomatic history

Reevaluating Eisenhower American Foreign Policy In The 1950s Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Reevaluating Eisenhower American Foreign Policy In The 1950s* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Reevaluating Eisenhower American Foreign Policy In The 1950s* has opened up a world of possibilities. Downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Reevaluating Eisenhower American Foreign Policy In The 1950s*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Reevaluating Eisenhower American Foreign Policy In The 1950s*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Reevaluating Eisenhower American Foreign Policy In The 1950s* has transformed the way we access information. With the convenience,

cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
