A Researcher's Guide to Sources on Soviet Social History in the 1930s Sheila Fitzpatrick, Lynne Viola, 2016-07-22 The Stalin era has been less accessible to researchers than either the preceding decade or the postwar era The basic problem is that during the Stalin years censorship restricted the collection and dissemination of information and introduced bias and distortion into the statistics that were published while in the post Stalin years access to archives and libraries remained tightly controlled Thus it is not surprising that one of the main manifestations of glasnost has been the effort to open up records of the 1930s In this volume Western and Soviet specialists detail the untapped potential of sources on this period of Soviet social history and also the hidden traps that abound The full range of sources is covered from memoirs to official documents from city directories to computerized data bases

The Social Sciences Nancy L. Herron, 1996 With 1 030 annotated citations arranged by discipline this carefully structured guide offers researchers fast and easy access to some of the best and most commonly used resources This book has 1 030 annotated citations arranged by discipline into 12 chapters general social sciences political

science economics business history law and legal issues anthropology sociology education psychology geography and communication The sections on electronic resources in each chapter have been greatly expanded and there are more area studies sources providing users with an introduction to new technologies and formats related to the research of social sciences Prepared by practicing librarians this carefully structured guide offers researchers fast and easy access to some of the best and most commonly used resources in the social science literature It also serves as well as a teaching text for students wanting a clear straightforward approach to learning about the most popular and important reference sources in the social sciences

A Manual for Writers of Research Papers, Theses, and Dissertations, Eighth Edition Kate L. Turabian, 2013-04-09 A little more than seventy five years ago Kate L Turabian drafted a set of guidelines to help students understand how to write cite and formally submit research writing Seven editions and more than nine million copies later the name Turabian has become synonymous with best practices in research writing and style Her Manual for Writers continues to be the gold standard for generations of college and graduate students in virtually all academic disciplines Now in its eighth edition A Manual for Writers of Research Papers Theses and Dissertations has been fully revised to meet the needs of today s writers and researchers The Manual retains its familiar three part structure beginning with an overview of the steps in the research and writing process including formulating questions reading critically building arguments and revising drafts Part II provides an overview of citation practices with detailed information on the two main scholarly citation styles notes bibliography and author date an array of source types with contemporary examples and detailed guidance on citing online resources The final section treats all matters of editorial style with advice on punctuation capitalization spelling abbreviations table formatting and the use of quotations Style and citation recommendations have been revised throughout to reflect the sixteenth edition of The Chicago Manual of Style With an appendix on paper format and submission that has been vetted by dissertation officials from across the country and a bibliography with the most up to date listing of critical resources available A Manual for Writers remains the essential resource for students and their teachers
