Personal Storytelling: Discovering the Extraordinary in the Ordinary Sam Thiara, 2014-04-20. What's the last story you heard? What's the last story you wrote and what's the last story you lived? We all have stories within us; however, at times we are not aware that they exist or hold on to them because we fear that others might not be interested. If something is important to you, it is worth sharing. This book is about helping you build and tell your stories. Through personal experiences and practical exercises, you too will be able to discover the extraordinary in the ordinary. In a world where there is so much visual noise, the world values and remembers stories and appreciates a good storyteller. Whether you want to be more reflective or take pleasure in the personal experiences shared, there is something for everyone in this book.
