*The Rebel's Daughter* John Gabriel Woerner, 1899

*Northern Ireland's '68* Simon Prince, 2018-08-21 The Troubles may have developed into a sectarian conflict but the violence was sparked by a small band of leftists who wanted Derry in October 1968 to be a repeat of Paris in May 1968 Like their French comrades Northern Ireland s sixty eighters had assumed that street fighting would lead to political struggle The struggle that followed however was between communities rather than classes In the divided society of Northern Ireland the interaction of the global and the local that was the hallmark of 1968 had tragic consequences Drawing on a wealth of new sources and scholarship Simon Prince s timely new edition offers a fresh and compelling interpretation of the civil rights movement of 1968 and the origins of the Troubles The authoritative and enthralling narrative weaves together accounts of high politics and grassroots protests mass movements and individuals and international trends and historic divisions to show how events in Northern Ireland and around the world were interlinked during 1968

*Irish Writing in the Twentieth Century* David Pierce, 2000 Arranged chronologically by decade from the 1890s to the 1990s each decade is divided into two different types of writing critical documentary and imaginative writing and is accompanied by a headnote which situates it thematically and chronologically The Reader is also structured for thematic study by listing all the pieces included under a series of topic headings The wide range of material encompasses writings of well known figures in the Irish canon and neglected writers alike This will appeal to the general reader but also makes *Irish Writing in the Twentieth Century* ideal as a core text providing a unique focus for detailed study in a single volume
