Reform In Corrections Problems And Issues:

Reform in Corrections Harry E. Allen, Nancy J. Beran, 1977-01-01 Resolution of Correctional Problems and Issues, 1974 **Handbook of Issues in Criminal Justice Reform in the United States** Elizabeth Jeglic, Cynthia Calkins, 2021-12-04 This handbook provides a holistic and comprehensive examination of issues related to criminal justice reform in the United States from a multidisciplinary perspective Divided into five key domains of reform in the criminal justice system it analyzes Policing Policy and sentencing Reentry Treatment Alternatives to incarceration Each section provides a history and overview of the domain within the criminal justice system followed by chapters discussing issues integral to reform The volume emphasizes decreasing incarceration and minimizing racial ethnic and economic inequalities Each section ends with tangible recommendations based on evidence based approaches for reform Of interest to researchers scholars activists and policy makers this unique volume offers a pathway for the future of criminal justice reform in the United States **Tales of the World's Most Dangerous Prisons** Hseham Amrahs, 2024-01-10 inmates and the unique dynamics of each perilous environment The narrative takes readers on a journey across continents exploring the chilling atmospheres of maximum security prisons that have gained notoriety for their formidable reputation Through vivid storytelling the book paints a detailed picture of life behind bars depicting the struggles dangers and human stories that unfold within the confines of these formidable institutions Each chapter of the book is a standalone tale focusing on a different dangerous prison and its distinctive challenges From high security facilities notorious for housing the most dangerous criminals to prisons plagued by corruption and violence the narratives are both enlightening and disturbing Readers are immersed in the stark realities faced by inmates shedding light on the impact of incarceration on individuals and the broader society The book doesn't merely recount the harsh conditions and dangers within these prisons but also explores the systemic issues that contribute to their notoriety It delves into the socio political and economic factors that underpin the existence of these dangerous institutions raising questions about the efficacy of punitive measures and the possibilities for reform *Most Dangerous Prisons in the World* Atina Amrahs, 2025-02-01 This book explores some of the world's most dangerous prisons revealing the harsh conditions human rights abuses and corruption within their walls Covering notorious facilities like Alcatraz and Tadmor Prison it examines their histories brutal practices and notorious inmates More than an expos it is a call to action for prison reform and human rights advocacy urging societies worldwide to create a more just and humane criminal justice system **From Cells to Society : Prison Reforms and Human Rights** Ms. Gargi Singh , Dr. Megha Garg, Dr. Shobhna Jeet, Ms. Sadhna Nirban, 2025-04-30 The concept of justice cannot be complete without an inclusive and humane approach to incarceration This edited volume on Prison Reform and Human Rights emerges from a growing recognition that the condition of prisons and the treatment of prisoners are not merely matters of criminal justice policy but fundamental indicators of a society's commitment to human dignity constitutional morality and the rule of law The chapters

in this book delve into the multifaceted challenges and complexities surrounding prison systems ranging from overcrowding custodial violence and lack of access to legal aid to mental health gender based discrimination and the rehabilitation and reintegration of inmates Drawing from a wide array of disciplines including law criminology sociology psychology and public policy this compilation presents scholarly insights empirical studies and reformative strategies that collectively advocate for a more accountable transparent and rights based prison administration The book also engages with international human rights instruments and constitutional jurisprudence situating the Indian context within global discourses on prisoners rights and correctional reform It is hoped that this volume will serve not only as a scholarly resource for academics students and legal practitioners but also as a policy document that can inform systemic change and guide institutions in reimagining prisons as spaces of transformation rather than punishment alone The editors extend heartfelt gratitude to all contributors for their invaluable research and critical perspectives and hope that this work inspires further dialogue action and advocacy for a more just and humane penal system

Crime, Law and Society Malcolm M. Feeley, 2017-07-05 Malcolm Feeley's work is well known to scholars around the world and has influenced two generations of criminologists and legal scholars He has written extensively on crime and the legal process and has published numerous articles in law history social science and philosophy journals two of his books *The Process is the Punishment* and *Court Reform on Trials* have won awards This volume brings together many of his better known articles and essays as well as some of his lesser known but nevertheless important contributions all of which share the common theme of the value of the rule of law albeit a more sophisticated concept than is commonly embraced The selections also reveal the full range of his interests and the way in which his research interests have developed

Routledge Handbook on American Prisons Laurie A. Gould, John J. Brent, 2020-11-01 The Routledge Handbook on American Prisons is an authoritative volume that provides an overview of the state of U S prisons and synthesizes the research on the many facets of the prison system The United States is exceptional in its use of incarceration as punishment It not only has the largest prison population in the world but also the highest per capita incarceration rate

Research and debate about mass incarceration continues to grow with mounting bipartisan agreement on the need for criminal justice reform. Divided into four sections: Prisons, Security, Operations and Administration, Types of Offenders and Populations, Living and Dying in Prison, and Release, Reentry and Reform, the volume explores the key issues fundamental to understanding the U.S. prison system, including the characteristics of facilities, inmate risk assessment and classification, prison administration and employment for profit prisons, special populations, overcrowding, prison health care, prison violence, the special circumstances of death row prisoners, collateral consequences of incarceration, prison programming and parole. The final section examines reform efforts and ideas and offers suggestions for future research and attention. With contributions from leading correctional scholars, this book is a valuable resource for scholars with an interest in U.S. prisons and the issues surrounding them. It is structured to serve scholars and graduate students studying corrections, penology, institutional corrections, and other related topics.
