Reforming The Church Today:

Reforming the Church Today Hans Küng, 1990 *China's Reforming Churches* Bruce P. Baugus, 2014-05-26 This is a critical moment in the life of China's reforming churches and the Presbyterian and Reformed mission to China. This book provides both a historical look at Presbyterianism in China and an assessment of the current state of affairs, orienting readers to church development needs and the basic outlines of Reformed Christianity in China today. While laying out the challenges and opportunities facing the church, the authors argue that assisting this reformation in China should be a central objective of the Presbyterian and Reformed mission to China in this generation.

Reforming Joy Tim Chester, 2018-09-20 Have you lost your joy? Do you feel like you have to prove yourself? Does your Christian life feel routine and performance oriented, driven by duty and obligation? The letter of Galatians was written to Christians who had lost their joy, confronted with false messages about rules and regulations they needed to follow. Similar false messages provoked the start of the Protestant Reformation and have continued to threaten the joy of Christians ever since. Exploring how the sixteenth century Reformation was a return to the gospel joy originally preached to first century Galatia, this book was written to help today's Christians rediscover the path to true freedom and lasting joy in Jesus.

The Necessity of Reforming the Church Jean Calvin, 2020 In the sixteenth century, no one denied that the church had problems. It was beset by ignorance, corruption, and greed among its clergy, and by moral laxity, superstition, and doctrinal confusion among its laity. The time was ripe for change. But what kind? And how was such change to occur? The Protestant Reformers initially strove to reform the church from within. But they soon concluded that its leaders and structures made impossible the kind of reforms

that were necessary As a result they broke away and formed new churches but they did not do so lightly In *The Necessity of Reforming the Church* John Calvin offers a full throated defense of the Reformation Writing to Emperor Charles V he explains how the church had drifted from the teachings of Christ in several areas including right worship the way of salvation the sacraments and the government of the church In so doing he issues a call for the church to be continually reformed according to the Word of God This new translation by Casey Carmichael with introductory material by W Robert Godfrey promises to make this important work accessible to a new generation Also included is Calvin s *A Reply to Cardinal Sadoletto*
