Selma Wassermann

Refugees Seeking A Safe Haven:

Refugees Kem Knapp Sawyer, 1995 This book examines the refugee crisis It describes the plight of the men women and children forced to leave their homes and the difficulties host countries encounter in welcoming vast numbers of refugees Also covered problems of refugees in different regions throughout the world including Haiti Bosnia Somalia Palestine Afghanistan organizations that assist refugees and ways to avert refugee crises in the future **Seeking Safe Haven** ,1986 Seeking Refuge María Cristina García, 2006-03-06 Tells the story of the 20th century Central American migration and how domestic and foreign policy interests shaped the asylum policies of Mexico the United States and Canada **Safe Zone** Lokman B. Çetinkaya, 2017-02-04 Using legal arguments consistent with international law this book explores whether and under which circumstances a State or States may establish and militarily enforce safe zones in countries that produce large scale refugee outflows so as to protect its or their own interests by averting said outflows as well as to alleviate human suffering in today's world of civil and internal warfare Though large scale refugee outflows have become an increasingly frequent problem in inter state relations international law offers no clear remedy Accordingly interpretation and adaptation of the existing rules and principles of international law in addition to State practice and the jurisprudence of international courts are required in order to find appropriate and lawful responses to such situations The book examines countermeasures necessity and humanitarian intervention as possible legal grounds to justify the establishment of safe zones Since the proposal of a safe zone for Syria remains on the international community's agenda the specific conditions of this case are particularly addressed in order to assess the suitability and legality of a possible safe zone in Syria *Counseling Refugees* Fred Bemak, Rita Chi-Ying Chung, Paul Pedersen, 2002-09-30 There are more than 26 million refugees in the world and the population is expected to grow However there is minimal training or understanding in the mental health and social services fields that provides the awareness knowledge and skills to effectively work with refugees Subsequently this volume is intended to provide a comprehensive understanding of refugee psychosocial adjustment that incorporates cross cultural perspectives The text provides an all inclusive overview of refugee acculturation and adaptation a model of intervention to assist refugees in the process of psychosocial adjustment case studies illustrating practical intervention applications and country specific interventions from unique and diverse national perspectives Professionals working with refugees in the United States and around the world will value this volume *The Jacquinot Safe Zone* Marcia R. Ristaino, 2008 The Jacquinot Zone in Shanghai is the first example in history of a successful safe zone that provided protection and security to half a million Chinese refugees living in a battle zone during wartime *Teaching Social Issues in the Middle Grades* Selma Wassermann, 2021-06-05 Teaching Social Issues in the Middle Grades A Teacher's Guide to Using Case Studies to Promote Intelligent Inquiry provides a collection of ten cases for use in the middle grades that focus on many of the critical social issues we face today It also includes materials to enable teachers to become more skilled in using case teaching methods The

cases and the teaching strategies are designed to develop students appreciation for their roles and responsibilities in relation to social and civic affairs and help them develop the critical thinking abilities to prepare them as competent and concerned citizens

The Global Politics of Forced Migration Fethi Mansouri, 2023-09-21 This book focuses on the socio political problems that emanate from Western states harsh deterrence policies in their responses to refugee crises Using Australia's own policy as a lens it examines the ways in which isolated and separatist reactions not only deny protection and basic human rights for asylum seekers but also do nothing to address structurally enduring push factors Reflecting on a range of interconnected issues in migration research and asylum policy this book draws on multidisciplinary insights and a mixed methodology to critically examine current assumptions underlying refugee policies both in Australia and internationally

From the Pain Come the Dream Paul Fireman, Samuel Kofi Woods, Deb Bergeron, Angel Martinez, 2003 Honoring men and women who have made significant contributions to the cause of human rights

Up for Debate Danny Cantrell, Brandy Brickey, 2009 Up For Debate provides eight policy recommendations for US Foreign Policy towards the Greater Horn of Africa in the areas of economic development human rights protection and public health What is unique about this volume is that all the authors are college students who debated this topic during the 2007 academic year Ranging from issues of wildlife trafficking malaria food aid and economic subsidies each chapter presents the reader with the pressing problems facing the Greater Horn of Africa a realistic policy proposal and reasons why that proposal has a propensity to solve the issue This book will give you a rich understanding of the relationship between US policy and the Greater Horn of Africa informing you of the pressing problems and possible solutions the US can adopt to address the dire needs in the Greater Horn of Africa
