Refuting The Attack On Mary A Defense Of Marian Doctrines:

Refuting the Attack on Mary Father Mateo,1993 Refuting the Attack on Mary Father Mateo,1999-04 Using Sacred Scripture and the writings of the Church Fathers Father Mateo shows the justification for Catholic beliefs about Mary He points out the errors of logic and fact committed by many anti Catholics as they mount attacks on the Blessed Mother Remarkably concise this work powerfully explains how to defend Marian doctrine *Missing Mary C.* Spretnak,2016-06-07 What ever happened to the Virgin Mary in the modern Catholic Church For the past forty years her presence has been radically minimized In a groundbreaking work Charlene Spretnak cuts across the battle lines delineated by the left and the right within the Church to champion the recovery of the full spiritual presence of Mary Spretnak a liberal Catholic asserts that a deep loss ensues for women in particular when Mary s female embodiment of grace and mystical presence is denied and replaced with a strictly text bound version of her as a Nazarene housewife Complete with a striking insert of contemporary Marian art *Missing Mary* is a deeply insightful reflection on Mary in the modern age **Eight Ways of Loving God** Jeanette Flood,2019-05-14 There is growing awareness that different people have different love languages What about God Does He have a love language Jeanette Flood answers this question by looking at the life and teachings of Jesus With a conversational style and a dose of good humor she describes eight love languages with fresh spiritual analogies and lessons from her own life This work reveals that being a Christian means being in a relationship of love with Love Himself Drawing on Scripture Church teachings and insights of the saints it inspires readers to follow Saint Paul s advice to the Ephesians to learn what is pleasing to the Lord Eph 5 10 **To Whom Shall We Go?: The Biblical Case for the Catholic Church (Reissue)** Thomas J. Nash,2024-01-01 In *To Whom Shall We Go* Thomas J Nash seeks to present anew the real Jesus the Word who became flesh John 1 14 to save all of humanity and to employ his Mystical Bride the Catholic Church as his instrument of salvation and life transforming love Nash makes biblical and historical arguments for the perennial relevance of Jesus and his Church As Nash summarizes well if the Catholic Church were merely a human institution she would ve entered the dustbin of history centuries ago both because of internal scandals and external persecutions Instead two thousand years after the Resurrection the Church continues to advance her God given Great Commission Matt 28 18 20

Fatima Family Messenger ,1993 La virginité de Marie Jean-François Baudoz,1998 *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004 **Black Madonna** Courtney Hall Lee,2017-09-18 The figure of the Virgin Mary comes loaded with baggage and preconceptions She is usually depicted as the perfect obedient and highly esteemed woman much like the Victorian notion of the angel in the house For many black women nothing could be more inaccessible This book considers the relationship between African American women and Mary of Nazareth After examining the history of black American motherhood during slavery and beyond this book then gives an overview of the existing views of Mary in both the church and the academy Lee then brings African American women and Mary together creating a womanist Mariology by

using womanist biblical and theological interpretation as well as considering black motherhood during the age of Black Lives Matter

Jean Gerson and the Last Medieval Reformation Brian Patrick McGuire, 2010-11-01

In this biography of the noted French philosopher and theologian Jean Gerson the first since 1929 Brian Patrick McGuire presents a compelling portrait of Gerson as a voice of reason and Christian humanism during a time of great intellectual and social tumult in the late Middle Ages Born to a peasant father and mother in the county of Champagne Gerson 1363 1429 was the first of twelve children He overcame his modest beginnings to become a scholastic and vernacular theologian a university intellectual and a church reformer McGuire shows us the turning points in Gerson's life including his crisis of faith after becoming chancellor of the University of Paris in 1395 Through these key moments we see the deeper undercurrents of his mystical writings With their rich display of spiritual and emotional life these writings were to earn Gerson the appellation doctor christianissimus In turn they would influence many later thinkers including Nicholas of Cusa Ignatius of Loyola Francis de Sales and even Martin Luther Gerson is a man perhaps easier to admire than to love conscientious to a fault at once a pragmatist and an idealist in church politics a university intellectual who both fostered and distrusted the religious aspirations of the laity a powerful prelate who moved among the great yet never forgot his peasant origins a self-revealing yet intensely private man who yearned for intimacy almost as much as he feared it McGuire ably situates Gerson in the context of his age an age replete with doctrinal controversies and the politics of papal schism on the eve of the Protestant Reformation Gerson emerges as a proponent of dialogue and discussion committed to reforming the church from within His courageous effort to renew the unity of a unique civilization bears examination in our own time
