The Spirit Ambulance Scott Stonington, 2020-08-25

The Spirit Ambulance is a journey into decision making at the end of life in Thailand where families attempt to craft good deaths for their elders in the face of clashing ethical frameworks from a rapidly developing universal medical system to national and global human rights politics to contemporary movements in Buddhist metaphysics Scott Stonington's gripping ethnography documents how Thai families attempt to pay back a debt of life to their elders through intensive medical care followed by a medically assisted rush from the hospital to home to ensure a spiritually advantageous last breath The result is a powerful exploration of the nature of death and the complexities arising from the globalization of biomedical expertise and ethics around the world

Reviving The 1980s - How A Family Thrived Together Erith Irwin, Before her death Zhou Xi never imagined she could be reborn Yet she found herself reborn in the 1980s in the body of a young woman and most importantly the original owner had left behind a pair of twin children a boy and a girl Whoa becoming a mother without any pain was truly a first time experience for Zhou Xi Surprisingly she adapted quickly Why Because although the family wasn't rich she had a golden cheat an entire spatial system that guaranteed she would never lack food or clothing Moreover this family placed no real restrictions or demands on the original owner meaning if she wanted to leave she could simply pack up and go Still since she had just arrived Zhou Xi decided to stay put for a while get familiar with the environment and in the meantime just muddle along and wait for time to pass in this backward and unfamiliar era However after getting familiar with everything her plan of lying flat and doing nothing gradually changed One step at a time she began to fulfill the dreams she had had in her past life passing university entrance exams starting businesses and making money One day as she stared at the growing balance in her bank account she fell into deep thought At that moment a strong armed man hugged her from behind and gently asked What's wrong Still feel like you're a little short of becoming a rich lady Don't worry I earned some more today I'll deposit it all into your account it's all yours
