Far as the Curse is Found by Amanda Barratt One winter night a woman struggling to provide for her illegitimate child encounters a scarred veteran of the Napoleonic Wars on the streets of London Can love conquer the darkness of two broken pasts

Wonders of His Love by Erica Vetsch A Scots portrait painter with a hidden identity finds work at a noble manor house over the holidays He never imagined he'd fall in love with the emotionally frozen widow there Now he wants nothing more than to thaw her heart

The Rise of Italian Fascism (RLE Responding to Fascism) A Rossi, 2010-11-01

The rise of Italian fascism is often seen as a pre condition as well as a precursor of later developments in Europe most notably in Germany As such they were also much discussed in the English speaking world throughout the 1930's

First published in English in 1938 this book gives an account of Italian history in the years immediately following the first world war culminating in the triumph of Mussolini Arguing that Mussolini succeeded because he was much more ruthless than his opponents he concludes that this is something that must be learnt from in point of material and military strength we must be superior to the fascists since that is the ground on which they are trying to force a decision

Resistance and Revolution in Mediterranean Europe 1939-1948 Tony Judt, 2021-11-21

This book first published in 1989 is the first general study of Communism in Mediterranean Europe during and immediately after the war It sheds light on the origins of Europe's Cold War East West divide and probes the common and conflicting interests of the Soviet Union with the separate national and Communist resistance movements It explores controversial issues including Stalin's intentions in post war diplomacy Communist attitudes to Nazi collaboration in France and the origins of the Cold War

The decade following the outbreak of the war saw the transformation of society through armed conflict national resistance and political revolution The relationship between resistance to Fascism and occupation on the one hand and profound social and political changes on the other was especially marked in southern Europe

In France and Italy Communist parties emerged as prominent participants in post war governments In Yugoslavia the Communist partisans seized full power and effected a social revolution while a similar attempt in Greece led to a long and bitter civil war

Imperial Ladies of the Ottonian Dynasty Phyllis G. Jestice, 2018-04-12

In tenth century Europe and particularly in Germany imperial women were able to wield power in ways that were scarcely imaginable in earlier centuries Theophanu and Adelheid were two of the most influential figures in the Ottonian reich along with their husbands who relied heavily on their support Phyllis G Jestice examines an array of factors that produced their power and prestige including societal attitudes toward women their wealth their unction as queens and their carefully constructed image of piety

Due to their influential positions Theophanu and Adelheid reclaimed control of the young Otto III despite

fierce opposition from Henry the Quarrelsome during the throne struggle of 984 In examining how they successfully secured the regency this book confronts the outmoded notion of exceptionalism and illuminates the lives of powerful Ottonian women
