Various,Alexander Jessup,2014-02-11 The Best American Humorous Short Stories By Various Edited by Alexander Jessup
Brand New Edition This volume does not aim to contain all the best American humorous short stories there are many other
stories equally as good I suppose in much the same vein scattered through the range of American literature I have tried to
keep a certain unity of aim and impression in selecting these stories In the first place I determined that the pieces of brief
fiction which I included must first of all be not merely good stories but good short stories I put myself in the position of one
who was about to select the best short stories in the whole range of American literature but who just before he started to do
this was notified that he must refrain from selecting any of the best American short stories that did not contain the element
of humor to a marked degree But I have kept in mind the wide boundaries of the term humor and also the fact that the
humorous standard should be kept second although a close second to the short story standard *Short Stories for School
and Home Reading* Short Stories,2023-07-18 This collection of short stories is perfect for both classroom and home use
Featuring works by some of the most celebrated writers in English literature including Edgar Allan Poe and Nathaniel
Hawthorne these stories are sure to spark the imagination and inspire a love of reading in readers of all ages This work has
been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This
