

Now take 60 seconds and give this a shot! Let's just see if Satan stops this one. All you do is:

1. Simply say a small prayer for the person who sent you this, e.g.

LORD, God, bless this person in whatever it is that You know he or she may be needing this day...

2. Then forward to relatives/friends.

Within hours people would have prayed for you, and you would have caused a multitude of people to pray to God for other people.

Then sit back and watch the power of God work in your life for doing the thing that you know He loves.

What we do in life echoes in eternity....

Power and Marginality in the Abraham Narrative - Second Edition Hemchand Gossai, 2010-01-01 Who will speak for Hagar or Isaac or Sarah or the daughters of Lot With an interpretive trajectory that moves from the margin to the center this book gives voice to the marginalized and voiceless in the Abraham Narratives Further this approach is based on the premise that there is a continuum of power in the various characters in these narratives and that the most powerful are those who are lodged at the center while those with the least power are on the margin or beyond The intent of this study is to direct and perhaps re direct our attention to the text and with fresh eyes seek a sometimes radical realignment of roles and power It is true that many of the characters focused on in this book are women This is not however only a book about women though clearly women are the principal characters on the margin

The Sermons of Charles Wesley Charles Wesley, 2001-09-13 Charles Wesley 1707-1788 is widely recognized as one of the greatest writers of the English hymn The importance of Charles however extends well beyond his undoubted poetic abilities for he is a figure of central importance in the context of the birth and early growth of Methodism a movement which today has a worldwide presence It was Charles and not John who first started the Oxford Holy Club from which the ethos and structures of organised Methodism were eventually to emerge It was Charles rather than John who first experienced the strange warming of the heart that characterised the experience of many eighteenth century evangelicals and in the early years it was Charles no less than John who sought to spread mainly through his preaching the evangelical message across England Wales and Ireland Eye witness testimony suggests that Charles was a powerful and effective preacher whose homiletic work and skill did much to establish and further the early Methodist cause In this book this other side of Charles Wesley is brought clearly into focus through the publication for the first time of all of the known Charles Wesley sermon texts In the four substantial introductory chapters a case is made for the inclusion of the 23 sermons here presented and there is discussion also of the significant text critical problems that have been negotiated in the production of this volume Other chapters present a summary of Charles's life and preaching career and seek to show by example how the sermons no less than the hymns are significant vehicles for the transmission of Charles's message This book hence makes a plea for a reassessment of the place of Charles Wesley in English Church history and argues that he deserves to be recognised as more than just The Sweet Singer of Methodism

A Middle Way to God Garth L. Hallett, 2000-05-25 Charting a middle way between the extremes represented by Alvin Plantinga and Richard Swinburne Garth Hallett explores the thesis that if belief in other minds is rational and true as it surely is so too is belief in God He makes a strong case that when this parity claim is appropriately restricted to a single sound other minds belief belief in God and belief in other minds do prove epistemically comparable This result and the distinctive path that leads to it will interest students and scholars in philosophy of religion and theology
