Short Stories And Short Fictions 1880 198:

Art and Commerce in the British Short Story, 1880-1950 Dean Baldwin, 2015-10-06 The short story was a commercial phenomenon which took off in the late nineteenth century and lasted through to the rise of television and film Baldwin uses a wide variety of sources to show how economic factors helped to dictate how and what a wide variety of authors wrote Woman, who owns you-? Sathupati Prasanna Sree, 2008 Papers presented at the International Seminar on Psycho Dynamics of Women in the Postmodern Literature of the East and West held at Visakhapatnam during 25 26 February 2006 The Short Story and Photography, 1880's-1980's Jane Marjorie Rabb, 1998 For over a hundred years stories about photographs and photography have reflected the profound uncertainties and inconclusive endings of the modern world For many writers photography supposedly the most realistic of the arts turns out to be the most ambiguous As Jane Rabb observes in her introduction a number of the stories in this collection involve mysteries perhaps because photography has a capacity for both documentary reality and moral and psychological ambiguity Many nineteenth century writers represented here including Thomas Hardy and Sir Arthur Conan Doyle helped make short fiction as respectable as the novel Some of them were even serious photographers themselves The twentieth century is arguably a golden age for both the short story and photography This collection includes examples from a worldly group of writer Eug ne Ionesco Julio Cort zar Michel Tournier and Italo Calvino as well as the Chinese writer Bing Xin and John Updike Cynthia Ozick and Raymond Carver In this wide range of stories varying from sentimental to obsessive to sinister to tragic and even fatal the reader will find provocative examples of the confluence of the short story and photography both once considered the bastard stepchildren of literature and art Women Writing Crime Fiction, 1860-1880 Kate Watson, 2014-01-10 Arthur Conan Doyle has long been considered the greatest writer of crime fiction and the gender bias of the genre has foregrounded William Godwin Edgar Allan Poe Wilkie Collins Emile Gaboriau and Fergus Hume But earlier and significant contributions were being made by women in Britain the United States and Australia between 1860 and 1880 a period that was central to the development of the genre This work focuses on women writers of this genre and these years including Catherine Crowe Caroline Clive Elizabeth Cleghorn Gaskell Mary Elizabeth Braddon Mrs Henry Ellen Wood Harriet Prescott Spofford Louisa May Alcott Metta Victoria Fuller Victor Anna Katharine Green Celeste de Chabrilan Oline Keese Caroline Woolmer Leakey Eliza Winstanley Ellen Davitt and Mary Helena Fortune innovators who set a high standard for women writers to follow Weird Fiction in Britain 1880-1939 James Machin, 2018-07-30 This book is the first study of how weird fiction emerged from Victorian supernatural literature abandoning the more conventional Gothic horrors of the past for the contemporary weird tale It investigates the careers and fiction of a range of the British writers who inspired H P Lovecraft such as Arthur Machen M P Shiel and John Buchan to shed light on the tensions between literary and genre fiction that continue to this day Weird Fiction in Britain 1880 1939 focuses on the key literary and cultural contexts of weird fiction of the period including Decadence paganism and

the occult and discusses how these later impacted on the seminal American pulp magazine *Weird Tales* This ground breaking book will appeal to scholars of weird horror and Gothic fiction genre studies Decadence popular fiction the occult and Fin de Si cle cultural history

Literary Visualities Ronja Bodola, Guido Isekenmeier, 2017-06-26 This book challenges the focus on pictoriality as central constituent of visual culture from the perspective of literary studies which in the wake of an intermedial turn so far focused on the ways texts relate to pictures and visual media either in praesentia e.g. word and image studies or in absentia e.g. ekphrasis Instead it emphasizes literature's participation in visual culture at large and focuses on three areas of investigation 1 the depiction of for instance visual perceptions in the literary mode of description which is paramount to formatting the mental aspect of visual culture 2 the readerly practice of visualising situations and events of the fictional world which mediates between those mentefacts and techniques of writing 3 textual visibilities which are grounded in materiality The volume explores these three areas from a systematically integrated perspective and the essays include in depth treatments of seminal examples taken from Western literatures primarily English and German but also French and American literature from early modern times to the present This book's aim is to work out literature's active role in shaping visual culture thus demonstrating its relevance for image studies

Handbook of the American Short Story Erik Redling, Oliver Scheiding, 2022-01-19 The American short story has always been characterized by exciting aesthetic innovations and an immense range of topics This handbook offers students and researchers a comprehensive introduction to the multifaceted genre with a special focus on recent developments due to the rise of new media Part I provides systematic overviews of significant contexts ranging from historical political backgrounds short story theories developed by writers print and digital culture to current theoretical approaches and canon formation Part II consists of 35 paired readings of representative short stories by eminent authors charting major steps in the evolution of the American short story from its beginnings as an art form in the early nineteenth century up to the digital age The handbook examines historically methodologically and theoretically the coming together of the enduring narrative practice of compression and concision in American literature It offers fresh and original readings relevant to studying the American short story and shows how the genre performs American culture

The Subversive Storyteller Michelle Pacht, 2009-01-14 The Subversive Storyteller The Short Story Cycle and the Politics of Identity in America examines how nineteenth and twentieth century American authors adapted and expanded the short story cycle to convey subversive or controversial ideas without alienating readers and threatening their ability to succeed within the literary marketplace The twelve authors highlighted here come from a wide range of cultural racial and geographic backgrounds Their texts represent different more advanced stages in the development of the short story cycle as each exploits the fragmentation and inherent lack of cohesion of the genre to reflect the changing realities of life in America during key moments in its history In tracing the development of the short story cycle through the first two centuries of

America's literary tradition The Subversive Storyteller fills a gap in existing scholarship on the genre It examines how short story cycles by Washington Irving Nathaniel Hawthorne Sarah Orne Jewett Charles W Chesnutt Willa Cather Henry James Ernest Hemingway William Faulkner Flannery O'Connor Raymond Carver Maxine Hong Kingston and Louise Erdrich are held together the publication history of each text the parts as well as the whole the revisions made by both authors and editors and the state of the literary profession at the time each was written **The Short Story** Valerie Shaw,2014-07-21

Throughout this text Valerie Shaw addresses two key questions What are the special satisfactions afforded by reading short stories and How are these satisfactions derived from each story's literary techniques and narrative strategies She then attempts to answer these questions by drawing on stories from different periods and countries by authors who were also great novelists like Henry James Flaubert Kafka and D H Lawrence by authors who specifically dedicated themselves to the art of the short story like Kipling Chekhov and Katherine Mansfield by contemporary practitioners like Angela Carter and Jorge Luis Borges and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris *The Best Short Stories of 1921, and the Yearbook of the American Short Story* Various,2022-11-21 The Best Short Stories of 1921 and the Yearbook of the American Short Story is an early edition of the most famous short stories of the time picked up and arranged into a collection by Edward Joseph Harrington O'Brien The selection of O'Brien's stories was trendy among the readers This issue includes the stories by Sherwood Anderson Charles J Finger Frances Noyes Hart and others The Best Short Stories of ... and the Yearbook of the American Short Story ,1925 **Walter Greenwood's Love on the Dole** Chris Hopkins,2018

Makowsky,1993 An accomplished playwright and co-founder of the Provincetown Players Susan Glaspell was an artist of formidable but ill-acknowledged talent This study seeks to combat the forces of literary obscurity that have nullified the writer's reputation and to reinstate Glaspell in the canon *Weird Fiction* Michael Cisco,2022-01-31 *Weird Fiction* A Genre Study presents a comprehensive contemporary analysis of the genre of weird fiction by identifying the concepts that influence and produce it Focusing on the sources of narrative content how the content is produced and what makes something weird Michael Cisco engages with theories from Deleuze and Guattari to explain how genres work and to understand the relationship between identity and the ordinary Cisco also uses these theories to examine the supernatural not merely as a horde of tropes but as a recognition of the infinity of experience in defiance of limiting norms The book also traces the sociopolitical implications of weird fiction studying the differentiation of major and minor literatures Through an articulated theoretical model and close textual analysis readers will learn not only what weird fiction is but how and why it is produced **Nobel Prize Laureates in Literature** ,2007 A biographical bibliographical guide to the writers who have received the Nobel Prize in Literature Provides entries for each Nobel Prize laureate Entries also
