A Club of Their Own Eli Lederhendler, Gabriel N. Finder, 2016-10-05 Volume XXIX of Studies in Contemporary Jewry takes its title from a joke by Groucho Marx I don't want to belong to any club that will accept me as a member The line encapsulates one of the most important characteristics of Jewish humor the desire to buffer oneself from potentially unsafe or awkward situations and thus to achieve social and emotional freedom By studying the history and development of Jewish humor the essays in this volume not only provide nuanced accounts of how Jewish humor can be described but also make a case for the importance of humor in studying any culture A recent survey showed that about four in ten American Jews felt that having a good sense of humor was an essential part of what being Jewish means to them on a par with or exceeding caring for Israel observing Jewish law and eating traditional foods As these essays show Jewish humor has served many functions as a form of insider speech It has been used to ridicule to unite people in the face of their enemies to challenge authority to deride politics and politicians in America to ridicule conspicuous consumption in Israel to contrast expectations of political normalcy and bitter reality However much of contemporary Jewish humor is designed not only or even primarily as insider speech Rather it

rewards all those who get the punch line A Club of Their Own moves beyond general theorizing about the nature of Jewish humor by serving a smorgasbord of finely grained historically situated and contextualized interdisciplinary studies of humor and its consumption in Jewish life in the modern world **Three Worlds** Avi Shlaim, 2023-06-08 In July 1950 Avi Shlaim only five and his family were forced into exile fleeing their beloved Iraq to the new state of Israel Remarkable Max Hastings THE SUNDAY TIMES Today the once flourishing Jewish community of Iraq at one time numbering over 130 000 and tracing its history back 2 600 years has all but vanished Why so One explanation speaks of the timeless clash between Arab and Jewish civilisations and a heroic Zionist mission to rescue Eastern Jews from backward nations and unceasing persecution Avi Shlaim tears up this script His parents had many Muslim friends in Baghdad and no interest in Zionism As anti-Semitism surged in Iraq the Zionist underground fanned the flames Yet when Iraqi Jews fled to Israel they faced an uncertain future their history was rewritten to serve a Zionist narrative This memoir breathes life into an almost forgotten world Weaving together the personal and the political Three Worlds offers a fresh perspective on Arab Jews caught in the crossfire of Zionism and nationalism A TLS AND NEW STATESMAN BOOK OF THE YEAR 2023 A NOVARA BEST BOOK OF 2024 A beautifully written book which artfully blends the personal with the political Justin Marozzi SPECTATOR Three Worlds by the Oxford historian of the modern Middle East Avi Shlaim is an often enchanting memoir of his childhood in Baghdad A gripping account A lost world in Iraq is brilliantly brought back to life in this fascinating memoir David Abulafia FINANCIAL TIMES
