The setting for his collection of eighteen stories by Gabriele D'Annunzio 1863-1938 was the Adriatic seaport of Pescara and its hinterland in the Italian region of Abruzzo the author depicting events and personalities from the time of his youth but also drawing from bygone incidents that were yet memorable in the area's folk history Pescara may not have had the cachet of celebrated cities such as Venice or Florence but sympathetically and wryly revealed here by the pen of one of Italy's great writers it lives and breathes with a vitality probably best compared to that of James Joyce's dear dirty Dublin Indeed Joyce who admired D'Annunzio may well have been inspired by the Italian's cameos of small town life his parade of saints voluptuaries and reprobates their repressions obsessions individual dissolutions collective explosions of anarchy and their aptness for bizarre behavior that extended from the catatonic to the manic D'Annunzio came to recognize just how exotic his native region was after he had left it for Rome where he worked for some years as a journalist and essay writer in the employ of various literary magazines His Abruzzo articles and especially those in which he records examples of extraordinary devotional behavior akin to what Mark Twain was witnessing at that time on the banks of the Ganges became the basis of the stories in this collection D'Annunzio was a published poet at the age of sixteen and his verse has never been absent from the Western Canon since Something of his painterly style the layered brushwork of his descriptions the gorgeous romantic renderings of rural scenes and the moods of the sea his celebrations of sensuality his aesthete's fascination with all the possible bodily conditions from the virginal voluptuous to the decayed and moribund he has been hailed as the body's poet will amaze and delight the reader even in the blandest and most dictionary dependent translation The present one is no such however Vladislav Zhukov is an experienced translator who has rendered works from four languages into English including a substantial book of poetry three volumes of short stories and a novel all available on Amazon.com His knowledge of Italian is that of someone who acquired the language while living in Italy during his youth **Her Story! The Best Continental Short Stories of ... and the Yearbook of the Continental Short Story Richard Eaton, 1927 **The city guide for Pescara (Italy)** YouGuide Ltd, *The Pomegranates and Other Modern Italian Fairy Tales*, 2021-09-14 A collection of magical Italian folk and fairy tales most in English for the first time The Pomegranates and Other Modern Italian Fairy Tales presents twenty magical stories published between 1875 and 1914 following Italy's political unification In those decades of political and social change folklorists collected fairy tales from many regions of the country while influential writers invented original narratives in standard Italian drawing on traditional tales in local dialects and translated others from France This collection features a range of these entertaining jewels from such authors as Carlo Collodi most celebrated for the novel Pinocchio and Domenico Comparetti regarded as the Italian Grimm to Grazia Deledda the only Italian woman to have received the Nobel Prize in Literature With one exception all of these tales are appearing in English for the first time The stories in this volume are linked by themes of metamorphosis a man turns into a lion a dove and an ant a handsome youth emerges from a pig's body and three lovely women rise out of the rinds of pomegranates There are also more introspective transformations a self absorbed princess learns about manners a melancholy prince finds joy again and a complacent young woman discovers gratitude Cristina Mazzoni provides a comprehensive introduction that situates the tales in their cultural and historical context The collection also includes period illustrations and biographical notes about the authors Filled with adventures supernatural and fantastic events and brave and flawed protagonists The Pomegranates and Other Modern Italian Fairy Tales will delight surprise and astonish Saint Hysteria Cristina Mazzoni, 1996 Saint Hysteria examines scientific literary and religious texts that share a fascination with the otherness of the female body whether in ecstatic pleasure or in neurotic pain Cristina Mazzoni focuses on material from the late nineteenth and early twentieth centuries mainly in Italy and France Her approach uses the methodologies of cultural studies and feminism but also benefits from the insights of psychoanalytic criticism She asks how the identification of mysticism with hysteria became prevalent and explores the continuing dialogue between a historicizing view of hysteria and a view of hysteria as repressed religious mysticism According to Mazzoni this dialogue is discernible at various levels and in a variety of discourses The medical history of hysteria she maintains is often linked to the religious history of supernatural phenomena and the medical discourse

of positivism depends on the religious feminine element that it attempts to repress Similarly she finds a continuity between the literature of naturalism and that of decadence in their representations of the interdependence of neurosis and religion Finally the religious writings of women mystics and the discourses they inspired reveal an unresolved tension between nature and supernatural body and soul or psyche which Mazzoni suggests mirrors and complicates the very issues raised by hysterical conversion Among those whose views she considers are the writers Jules and Edmond de Goncourt Gabriele d Annunzio and Antonio Fogazzaro as well as Graham Greene and Simone Weil the mystics Angela of Foligno Gemma Galgani and Teresa of Avila and the theorists Jean Martin Charcot Cesare Lombroso Jacques Lacan Simone de Beauvoir Julia Kristeva and Luce Irigaray
