The Short Story in America, 1900-1950 Ray Benedict West, 1979 **The Short Story in America, 1900-1950** Ray Benedict West, 1952 **Short Story in America, The** Ray B. West Jr., 1968 The Short Story Charles May, 2013-10-14

The short story is one of the most difficult types of prose to write and one of the most pleasurable to read From Boccaccio's Decameron to The Collected Stories of Reynolds Price Charles May gives us an understanding of the history and structure of this demanding form of fiction Beginning with a general history of the genre he moves on to focus on the nineteenth century when the modern short story began to come into focus From there he moves on to later nineteenth century realism and early twentieth century formalism and finally to the modern renaissance of the form that shows no signs of abating A chronology of significant events works and figures from the genre's history notes and references and an extensive bibliographic essay with recommended reading round out the volume *Twentieth Century Fiction* George Woodcock, 1983-04-01 **The Short Story** Valerie Shaw, 2014-07-21 Throughout this text Valerie Shaw addresses two key questions What are the special satisfactions afforded by reading short stories and How are these satisfactions derived from each story's literary techniques and narrative strategies She then attempts to answer these questions by drawing on stories from different periods and countries by authors who were also great novelists like Henry James Flaubert Kafka and D H Lawrence by authors who specifically dedicated themselves to the art of the short story like Kipling Chekhov and Katherine Mansfield by contemporary practitioners like Angela Carter and Jorge Luis Borges and by unfairly neglected writers like Sarah Orne Jewett and Joel Chandler Harris **Twentieth Century American Literature** Warren French, 1980-11-01 *The Short Story in America, 1900-1950. Ray B. West, Jr.,...* Ray Benedict West, 1952 *The Continuum Encyclopedia of American Literature* Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 **The Short Stories of Ambrose Bierce** Stuart C. Woodruff, 2010-11-23 One of the most interesting figures to emerge at the turn of the twentieth century was Ambrose Bierce whose acerbic columns in the San Francisco Examiner spread his fame as America's most bitter cynic and misanthrope and whose disappearance into Mexico surrounded his name with an aura of mystery Although best known during his lifetime for his journalism and always critical of his own writing the magnificent intention mocked by the actual achievement Bierce's fiction endures especially his short stories about the Civil War Originally published in the 1890s and rediscovered in the 1920s the Civil War stories are filled with unsparing descriptions of death and suffering disillusionment and fatalism They also show a concern for form and craftsmanship a controlled irony and an economy of detail that are distinctly modern In this

pioneering study of Bierce's stories Stuart Woodruff examines the best and worst of Bierce's fiction with clarity and excellent critical sense and he traces the causes of Bierce's success and failure as a writer analyzing his inability to reconcile the extremes of temperament and belief that marked his life and give his stories their characteristic form Among the pieces discussed An Occurrence at Owl Creek Bridge The Mockingbird One of the Missing Chickamauga Ha-ta-the Shepherd What I Saw at Shiloh and excerpts from The Devil's Dictionary and Tales of Soldiers and Civilians

A History of American Literature Richard Gray, 2011-09-23 Updated throughout and with much new material A History of American Literature Second Edition is the most up to date and comprehensive survey available of the myriad forms of American Literature from pre-Columbian times to the present The most comprehensive and up to date history of American literature available today Covers fiction poetry drama and non-fiction as well as other forms of literature including folktale spirituals the detective story the thriller and science fiction Explores the plural character of American literature including the contributions made by African American Native American Hispanic and Asian American writers Considers how our understanding of American literature has changed over the past thirty years Situates American literature in the contexts of American history politics and society Offers an invaluable introduction to American literature for students at all levels academic and general readers

WOMEN'S WRITINGS IN THE NINETEENTH AND TWENTIETH CENTURIES TAISHA ABRAHAM, 2013-03-11 Intended as a text for undergraduate students of English for their course on Women's Writings in the Nineteenth and Twentieth centuries this compact and well organized book provides both the history of the development of the short story in America and Britain and a comprehensive introduction to the modes and critical practices based on feminist thinking It takes into account the strategies used by women writers and discusses the politics of reception and production keeping especially the gender issue in mind The text is divided into three parts Part I Introduction containing two chapters that deal with the development of the American short story and the resurgence of radical feminism in America These provide the historical and the feminist frame within which the short stories by the Anglo-American Women's Writers should be read Part II gives four short stories Kate Chopin The Story of an Hour Charlotte Perkins Gilman The Yellow Wallpaper Willa Cather Coming Aphrodite and Katherine Mansfield Bliss Each short story is preceded by a critical introduction detailed references for further reading and a biographical time line Part III comprises three critical essays which provide sharp insights into the period in which the four women writers were writing This book will be treasured not only by students but also by those who wish to study critically the feminist writings of the period In addition it will enrich readers' understanding of American and British literary history and culture The critical introduction to each short story traces the development of the form from its origins both historically

and in terms of female literary contributions to its development The chapter on Radical Feminism is mapped in the context of social political and cultural development The book provides historical literary and biographical contexts of the writers and their short stories The Bloomsbury Handbook to Cold War Literary Cultures Greg Barnhisel,2022-06-30 Adopting a unique historical approach to its subject and with a particular focus on the institutions involved in the creation dissemination and reception of literature this handbook surveys the way in which the Cold War shaped literature and literary production and how literature affected the course of the Cold War To do so in addition to more traditional sources it uses institutions like MFA programs university literature departments book review sections of newspapers publishing houses non governmental cultural agencies libraries and literary magazines as a way to understand works of the period differently Broad in both their geographical range and the range of writers they cover the book s essays examine works of mainstream American literary fiction from writers such as Roth Updike and Faulkner as well as moving beyond the U S and the U K to detail how writers and readers from countries including but not limited to Taiwan Japan Uganda South Africa India Cuba the USSR and the Czech Republic engaged with and contributed to Anglo American literary texts and institutions **The Sketch, the Tale, and the Beginnings of American Literature** Lydia G. Fash,2020-03-31 Accounts of the rise of American literature often start in the 1850s with a cluster of great American novels Hawthorne s *The Scarlet Letter* Melville s *Moby Dick* and Stowe s *Uncle Tom s Cabin* But these great works did not spring fully formed from the heads of their creators All three relied on conventions of short fiction built up during the culture of beginnings the three decades following the War of 1812 when public figures glorified the American past and called for a patriotic national literature Decentering the novel as the favored form of early nineteenth century national literature Lydia Fash repositions the sketch and the tale at the center of accounts of American literary history revealing how cultural forces shaped short fiction that was subsequently mined for these celebrated midcentury novels and for the first novel published by an African American In the shorter works of writers such as Washington Irving Catharine Sedgwick Edgar Allan Poe and Lydia Maria Child among others the aesthetic of brevity enabled the beginning idea of a story to take the outsized importance fitted to the culture of beginnings Fash argues that these short forms with their ethnic exclusions and narrative innovations coached readers on how to think about the United States past and the nature of narrative time itself Combining history print history and literary criticism this book treats short fiction as a vital site for debate over what it meant to be American thereby offering a new account of the birth of a self consciously national literary tradition *The American Short Story* William Peden,1964 **American Fiction Since 1940** Tony Hilfer,2014-09-25 In this remarkable book Tony Hilfer provides a major survey of the wealth of post war American fiction He analyses the major modes and genres of writing from realist to postmodernist metafiction and black humour the fiction of social protest women s writing and the traditions of African American Southern and Jewish American fiction Key writers discussed include William Faulkner Norman Mailer Ralph Ellison Saul Bellow Joseph Heller Vladimir Nabokov and Joyce

Carol Oates The book concludes by exploring contemporary trends through detailed case studies of Donald Barthelme and Toni Morrison A Reference Guide for English Studies Michael J.
