**Alan Goble**

## Short Story Quest:

*Short Story Quest* C. Coroneos, 1975-01      **The Short-Short Story** José Flávio Nogueira Guimarães, 2012-10-23 This book proposes a study of a new postmodern prose fiction genre the short short story Considerations of generic classifications and boundaries are followed by an historical overview and analysis of short fiction from the nineteenth to twenty first centuries especially under the influence of the Russian Anton Chekhov who is regarded as the father of the modern short story The postmodern short short story is seen as emerging from this trend a hybrid genre with characteristics of the narrative language of her prose genres such as the short story and the journalistic writing The cluster of features such as condensation lack of character development surprise endings etc which is seen as characteristic of the short short story are discussed and ten examples are summarized and analyzed including two traditional short stories for contrast It is seen that the short short story may be further broken into what is called the new sudden fiction and the even shorter and more radical flash fiction      *The Modern Arabic Short Story* Mohammad Shaheen, 1989-05-05 Far from being social orthodox or merely anecdotal modern Arabic fiction is in fact significant and radical in the world context of modern fiction as this book shows It includes an introduction to and critique of the short story as well as a selection of Arabic short stories chosen and translated by the author      **The Complete Index to Literary Sources in Film** Alan Goble, 2011-09-08 No detailed description available for The Complete Index to Literary Sources in Film      **A Companion to the British and Irish Short Story** David Malcolm, Cheryl Alexander Malcolm, 2009-01-30 A Companion to the British and Irish Short Story provides a comprehensive treatment of short fiction writing and chronicles its development in Britain and Ireland from 1880 to the present Provides a comprehensive treatment of the short story in Britain and Ireland as it developed over the period 1880 to the present Includes essays on topics and genres as well as on individual texts and authors Comprises chapters on women s writing Irish fiction gay and lesbian writing and short fiction by immigrants to Britain      [The Year's Best Science Fiction: Eighteenth Annual Collection](#) Gardner Dozois, 2001-08-18 The twenty three stories in this collection imaginatively take us far across the universe into the very core of our being to the realm of the gods and the moment just after now Included here are the works of masters of the form and of bright new talents including Stephen Baxter M Shayne Bell Rick Cook Albert E Cowdrey Tananarive Due Greg Egan Eliot Fintushel Peter F Hamilton Earnest Hogan John Kessel Nancy Kress Ursula K Le Guin Paul J McAuley Ian McDonald Susan Palwick Severna Park Alastair Reynolds Lucius Shepard Brian Stableford Charles Stross Michael Swanwick Steven Utley Robert Charles Wilson Supplementing the stories is the editor s insightful summation of the year s events and lengthy list of honorable mentions making this book a valuable resource in addition to serving as the single best place in the universe to find stories that stir the imagination and the heart      **The Review of Reviews** William Thomas Stead, 1924      **A Compilation of Shorts: Volume 2** Marilyn Keeton, 2015-05-18 The best all around description of the short story was given by Stephen Vincent Benet Something that can be read in an hour and remembered for a lifetime A

Compilation of Shorts Volume 2 is a work of fiction by Marilyn Keeton For over some 60 years she has been writing short stories and novels It is inspired by children family members moments in her life and profession In it are stories of Science Fiction Drama Sentimental and a preview of her upcoming novel Internet Romance     *Strokes* John Clute,2016-11-24 For more than 50 years John Clute has been reviewing science fiction and fantasy Strokes is a collection of reviews from a wide variety of sources including Interzone the New York Review of Science Fiction and Science Fiction Weekly about the most significant literatures of the twenty first century science fiction fantasy and horror the literatures Clute argues should be recognized as the central modes of fantastika in our times It covers the period between 1966 and 1986     *The Companion to African Literatures* G. D. Killam,Ruth Rowe,2000 Refreshing African Studies Review The entries are knowledgeable thorough and clearly written Highly recommended Choice an ambitious reference guide to works on African literature African Studies Review This comprehensive compendium will be a handy companion for anyone working on African literatures The entries are authoritative and up to date providing reliable information on the hundreds of authors and texts that have contributed to a whole continent s literary flowering Bernth Lindfors A comprehensive introduction and guide to African authored works with over 1 000 cross referenced entries covering classics in African writing literary genres and movements biographical details of authors and wider themes linking African Afro Caribbean and Afro American literatures     **Modernist Short Fiction by Women** Claire Drewery,2016-04-15 Taking on the neglected issue of the short story s relationship to literary Modernism Claire Drewery examines works by Katherine Mansfield Dorothy Richardson May Sinclair and Virginia Woolf Drewery argues that the short story as a genre is preoccupied with transgressing boundaries and thus offers an ideal platform from which to examine the Modernist fascination with the liminal Embodying both liberation and restriction liminal spaces on the one hand enable challenges to traditional cultural and personal identities while on the other hand they entail the inevitable negative consequences of occupying the position of the outsider marginality psychosis and death Mansfield Richardson Sinclair and Woolf all exploit this paradox in their short fiction which typically explores literal and psychological borderline states that are resistant to rational analysis Thus their short stories offered these authors an opportunity to represent the borders of unconsciousness and to articulate meaning while also conveying a sense of that which is unsayable Through their concern with liminality Drewery shows these writers contribute significantly to the Modernist aesthetic that interrogates identity the construction of the self and the relationship between the individual and society     [James Joyce in the Nineteenth Century](#) John Nash,2013-09-16 This is the first book to explore the depth and range of Joyce s relationship with nineteenth century figures and cultural movements     [The Grail Legend in Modern Literature](#) John Barry Marino,2004 The Grail legends have in modern times been appropriated by a number of different scholarly schools of thought their approaches are analysed here This study shows how modern including postmodern adaptations of the Grail legend correspond to trends in the scholarly community and how the legend has been appropriated by competing world views There

are three parallel trends in Grail scholarship and modern adaptations of the legend: controversy over Christian or pagan origins, secularization by way of humanism and esoteric mysticism. These three trends reflect movements in popular culture: Relativism and multiculturalism influence Christian/pagan cultural conflict in the adaptations. Mythographers maintain the legend's appeal in a humanist culture by considering the Grail metaphor rather than material actuality; modern adaptations then transform the Grail from a particularly Christian symbol to one with universal application in an increasingly secular society. Modern esoteric spiritualities allow the Grail actuality with flexible meaning. This study then demonstrates how the Grail legend is transformed and adapted from medieval to modern cultures and continues to evolve today. JOHN B. MARINO is adjunct instructor, Maryville University and Saint Louis University.

**Cosmopolitanism in the Fictive Imagination of W. E. B. Du Bois** Samuel O. Doku, 2015-12-03 This book traces W. E. B. Du Bois's fictionalization of history in his five major works of fiction and in his debut short story *The Souls of Black Folk* through a thematic framework of cosmopolitanism. In texts like *The Negro* and *Black Folk Then and Now*, Du Bois argues that the human race originated from a single source, a claim authenticated by anthropologists and the Human Genome Project. This book breaks new ground by demonstrating the fashion in which the variants of cosmopolitanism become a profound theme in Du Bois's contribution to fiction. In general, cosmopolitanism claims that people belong to a single community informed by common moral values, function through a shared economic nomenclature, and are part of political systems grounded in mutual respect. This book addresses Du Bois's works as important additions to the academy and makes a significant contribution to literature by first demonstrating the way in which fiction could be utilized in discussing historical accounts in order to reach a global audience. *The Coming of John*, *The Quest of the Silver Fleece*, *Dark Princess*, *A Romance*, and *The Black Flame* are an important trilogy published sequentially. *The Ordeal of Mansart*, *Mansart Builds a School*, and *Worlds of Color* are grounded in historical occurrences and administer as social histories providing commentary on Reconstruction, Jim Crow segregation, African American leadership, school desegregation, the Pan African movement, imperialism, and colonialism in Africa, Asia, and the Caribbean.

*Semiotics around the World: Synthesis in Diversity* Irmengard Rauch, Gerald F. Carr, 2020-10-12 No detailed description available for *Semiotics around the World: Synthesis in Diversity*.

**Speculative & Science Fiction** Ernest N. Emenyonu, Chimalum Nwankwo, Louisa Uchum Egbunike, 2021 Over the past two decades there has been a resurgence in the writing of African and African diaspora speculative and science fiction writing. Discussions around the rise of science fiction and fantasy have led to a push back by writers and scholars who have suggested that this is not a new phenomenon in African literature. This collection focuses on the need to recalibrate ways of reading and categorising this genre of African writing through critical examinations both of classics such as *Kojo Laing's Woman of the Aeroplanes* (1988) and *Ngũgĩ wa Thiong'o's* oeuvre as well as more recent fiction from writers including *Nnedi Okorafor*, *Namwali Serpell*, and *Masande Ntshanga*. Back cover

**Transient Questions**, 2021-09-20 Mavis Gallant has been a leading literary figure in Canada since

her first short story published in 1951 and has grown to be considered internationally as a modern master of the genre Her writing is nuanced sensitive gifted deep and concise She leaves everything open for the hidden potential that can always be discovered Times change society history politics may develop out of recognition Cultures metamorphose Literary landscapes and theories are renewed But the classics of our time stay where they are pillars of that which is solidly about us Mavis Gallant's work is of that calibre her writing will remain interesting and relevant no matter what else happens This book is an exploration of what Gallant's readers are thinking now where they place her in the panorama of literature and what meaning she has for them now Scholars continue to probe into the stories their characters the capsules of history they present and continue to find them challenging As with Shakespeare no amount of scrutiny will yield the final answer That is how complex Gallant's writing is Especially now when the positioning of her characters is a more prominent condition in general we need to review Gallant's artistic insights As Francine Prose says in Harper's Magazine Gallant's cast of characters are a motley assortment of refugees fugitives and travelers and displaced persons scrambling on the margins of a society they will never belong to This is the modern condition As with other great writers Gallant shows herself to be prophetic in cutting down to the roots of the sensibility of our era We are reading her work and we are thinking about it and talking about it This book is part of that large conversation Contributors are Neil Besner Di Brandt Nicole C t John Lent Gerald Lynch Maria No lle Ng Peter Stevens Simone Vauthier Per Winther

the Digital Age And much more

**The Year's Best Science Fiction: Seventeenth Annual Collection** Gardner

Dozois, 2000-08-12 In science fiction's early days stories often looked past 1984 to the year 2000 as the far unknowable future. Here now on the brink of the twenty-first century the future remains as distant and as unknowable as ever and science fiction stories continue to explore it with delightful results. Collected in this anthology are such imaginative gems as *The Wedding Album* by David Marusek. In a high-tech future the line between reality and simulation has grown thin and it's often hard to tell who's on what side. *Everywhere* by Geoff Ryman. Do the people who live in utopian conditions ever recognize them as such? *Hatching the Phoenix* by Frederik Pohl. One of science fiction's Grand Masters returns with a star-crossing tale of the Heechee, the enigmatic vanished aliens whose discarded technology guides mankind through the future. *A Hero of the Empire* by Robert Silverberg. Showing that the past is as much a province of the imagination as the future, this novelette returns to an alternate history when the Roman Empire never fell to show us just how the course of history can be altered. The twenty-seven stories in this collection imaginatively take us to nearby planets and distant futures, into the past and into universes no larger than a grain of sand. Included here are the works of masters of the form and of bright new talents. Supplementing the stories are the editor's insightful summation of the year's events and a lengthy list of honorable mentions, making this book a valuable resource in addition to serving as the single best place in the universe to find stories that stir the imagination and the heart.
