1964-1965

Short Survey Of Surrealism

David Gascoyne

Short Survey Of Surrealism:

A Short Survey of Surrealism David Gascoyne, 1936 A Short Survey of Surrealism, by David Gascoyne David Gascoyne, 1935 *Surrealism* David Gascoyne, 1935 A short survey of surrealism, 1935 **The Cambridge History of Twentieth-Century English Literature** Laura Marcus, Peter Nicholls, 2004 Publisher Description **Peter De Vries and Surrealism** Dan Campion, 1995 De Vries's style and narrative technique are often surrealistic and he mentions surrealism and surrealists in all but two of his twenty six books Yet in fifty years of commentary on De Vries scarcely any notice has been taken of these surrealist elements **Historical Dictionary of Surrealism** Keith Aspley, 2010-10-16 Surrealism was a broad movement which attracted many adherents It was organized and quite strictly disciplined at least until the death of its leader Andr Breton in 1966 As a consequence its membership was in a constant state of flux persons were constantly being admitted and excluded and often the latter continued to regard themselves as Surrealists The wide ranging nature of the Surrealist movement was spread over many countries and many different art forms including painting sculpture cinema photography music theater and literature most notably poetry The Historical Dictionary of Surrealism relates the history of this movement through a chronology an introductory essay a bibliography and over 600 cross referenced dictionary entries on persons circles and groups who participated in the movement a global entry on some of the journals and reviews they produced and a sampling of major works of art cinema and literature **Reading the Ruins** Leo Mellor, 2011-09-15 From fires to ghosts and from flowers to surrealist apparitions the bombsites of London were both unsettling and inspiring terrains Yet throughout the years prior to the Second World War British culture was already filled with ruins and fragments They appeared as content with visions of tottering towers and scraps of paper and also as form in the shapes of broken poetics But from the outbreak of the Second World War what had been an aesthetic mode began to resemble a proleptic template During that conflict many modernist writers such as Graham Greene Louis MacNeice David Jones J F Hendry Elizabeth Bowen T S Eliot and Rose Macaulay engaged with devastated cityscapes and the altered lives of a nation at war To understand the potency of the bombsites both in the Second World War and after *Reading the Ruins* brings together poetry novels and short stories as well as film and visual art *Historical Dictionary of Surrealism* Will Atkin, 2021-12-10 The Surrealist Movement is an international intellectual movement that has led a sustained questioning of the basis of human experience under twentieth and twenty first century modernity since its founding in the early 1920s Influenced by the psychoanalytical teachings of Sigmund Freud Surrealism emerged among the generation that had witnessed the insanity and horror of the First World War and was conceived of as a framework for investigating the little understood phenomena of dreams and the unconscious In these territories the surrealists recognized an alternative axis of human experience that did not align with the rational workaday rhythms of modern life and which instead revealed the extent to which individual subjectivity had been constrained by post Enlightenment rationalism and by the economic forces governing the post industrial world Against these trends the

Surrealist Movement has sought to re evaluate the foundations of modern society and reassert the primacy of the imagination for almost a century to date This book offers focused introductions to numerous writers poets artists filmmakers precursors groups movements events concepts cultures nations and publications connected to Surrealism providing orientation for students and casual readers alike Historical Dictionary of Surrealism Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 200 cross referenced entries on the Surrealist Movement s engagement with the realms of politics philosophy science poetry art and cinema and charts the international surrealist community s diverse explorations of specific thematic territories such as magic occultism mythology eroticism and gothicism This book is an excellent resource for students researchers and anyone wanting to know more about surrealism

The Auden Generation Samuel Hynes,2011-04-30 This is a study of a literary generation writing in a period of expanding fears and ever more urgent political and social crises The pace of the time itself the sense of time passing and an end approaching gave a special quality to the Thirties The public world pressed insistently on the private world For those who came of literary age Auden Day Lewis MacNeice Spender Graham Greene Isherwood and Orwell among them writing became a form of action In the process a generation discovered itself and found its own expression

Dada and After Alan Young,1983

Radical Dreams Elliott H. King,Abigail Susik,2022-03-17 Surrealism is widely thought of as an artistic movement that flourished in Europe between the two world wars However during the 1960s 70s and 80s diverse radical affinity groups underground subcultures and student protest movements proclaimed their connections to surrealism Radical Dreams argues that surrealism was more than an avant garde art movement it was a living current of anti authoritarian resistance Featuring perspectives from scholars across the humanities and distinctively from contemporary surrealist practitioners this volume examines surrealism s role in postwar oppositional cultures It demonstrates how surrealism s committed engagement extends beyond the parameters of an artistic style or historical period with chapters devoted to Afrosurrealism Ted Joans punk the Situationist International the student protests of May 68 and other topics Privileging interdisciplinary transhistorical and material culture approaches contributors address surrealism s interaction with New Left politics protest movements the sexual revolution psychedelia and other subcultural trends around the globe A revelatory work Radical Dreams definitively shows that the surrealist movement was synonymous with cultural and political radicalism It will be especially valuable to those interested in the avant garde contemporary art and radical social movements In addition to the editors the contributors to this volume include Mikkel Bolt Rasmussen Jonathan P Eburne David Hopkins Claire Howard Michael L wy Alyce Mahon Gavin Parkinson Gregory Pierrot Penelope Rosemont Ron Sakolsky Marie Arleth Skov Ryan Standfest and Sandra Zalman

Robert Duncan and the Pragmatist Sublime James Maynard,2018-05 This book examines three historical phases of the poet Robert Duncan s writing within the aesthetic and philosophical context of a pragmatist sublime The author traces Duncan s poetics of process which like process philosophy is predicated on conditions

of change and plenitude to the pragmatist tradition of William James John Dewey and Alfred North Whitehead Working from this theoretical framework and using the archival resources of the Robert Duncan Collection housed in the University of Buffalo's Poetry Collection James Maynard examines Duncan's understanding of excess in relation to poetry **The Concise Oxford Companion to English Literature** Dinah Birch, Katy Hooper, 2013-05-30 Based on the bestselling Oxford Companion to English Literature this is an indispensable compact guide to all aspects of English literature Over 5 500 new and revised A to Z entries give unrivalled coverage of writers works historical context literary theory allusions characters and plot summaries Discursive feature entries supply a wealth of information about important genres in literature For this fourth edition the dictionary has been fully revised and updated to include expanded coverage of postcolonial African black British and children's literature as well as improved representation in the areas of science fiction biography travel literature women's writing gay and lesbian writing and American literature The appendices listing literary prize winners including the Nobel Man Booker and Pulitzer prizes have all been updated and there is also a timeline chronicling the development of English literature from c 1000 to the present day Many entries feature recommended web links which are listed and regularly updated on a dedicated companion website Written originally by a team of more than 140 distinguished authors and extensively updated for this new edition this book provides an essential point of reference for English students teachers and all other readers of literature in English

Modernism, Periodicals, and Cultural Poetics M. Chambers, 2016-04-29 After the publication of T S Eliot's *The Waste Land* a complex series of debates occurred over the traditions of English poetry Analyzing these diverse discussions in a wide range of well known periodicals during the late modernist period Chambers uncovers how poetry was shaped by avant garde ideas setting poetic trends for the 20th century

Dada and Beyond, Volume 2 Elza Adamowicz, Eric Robertson, 2015-06-24 International iconoclastic inventive born out of the institutionalised madness of the First World War Dada erupted in cities throughout Europe and the USA creating shock waves that offended polite society and destabilised the cultural and political status quo In spite of its sporadic and ephemeral character its rich and diverse legacy is still powerfully felt nearly a century later Following on from *Dada and Beyond Volume 1* *Dada Discourses* the sixteen essays in this collection provide critical examinations of Dada placing particular emphasis on the ongoing impact of its creative output The chapters examine its pivotal figures as well as its more peripheral protagonists their different geographic locations and the extraordinary diversity of their practices that included poetry painting printmaking dance performance theatre textiles readymades photomontage and cinema As the book's authors reveal Dada not only anticipates Surrealism but also foreshadows an extraordinary array of more recent tendencies including action painting conceptual art outsider art performance art environmental and land art In its privileging of chance and automatism its rejection of formal artistic institutions its subversive exploitation of mass media and its constant self reconstitution and self redefinition Dada deserves to be seen as a cultural phenomenon that is still powerfully relevant in the twenty first century *Contextualized Stylistics*

,2021-10-18 The articles in Contextualized Stylistics written especially to honour the work of Peter Verdonk one of the leading figures in the field of stylistics over the last twenty years represent the state of the art in literary linguistics A wide range of approaches from traditional stylistic analysis to innovative new directions is to be found here in literary contexts as varied as the writings of Chaucer Shakespeare Donne Pope Sterne Browning Yeats Auden Joyce British surrealist poetry urban and political graffiti Charlotte Perkins Gilman Jane Gardam contemporary Anglo Irish fiction modern comic satire and Flann O'Brien Among the contributors are some of the foremost theorists and practitioners working in the field today Walter Nash Peter Stockwell Willie van Peer Keith Green Tony Bex Michael Burke Mick Short Jonathan Culpeper Elena Semino Michael Toolan Jean Jacques Weber Gerard Steen Henry Widdowson and Paul Simpson Olga Fischer and Katie Wales contribute a Foreword and Ronald Carter an Afterword A number of Professor Verdonk's colleagues have also contributed articles from a more literary perspective This book is an essential addition to the personal library of any researcher interested in the interface and connections between language and literature and it would make an excellent course reader for undergraduate students in both literary and linguistic studies The Gothic Quest - A History of the Gothic Novel Montague Summers,2016-09-22 The Gothic Quest A History of the Gothic Novel is a 1938 treatise by Montague Summers on the subject of the Gothic novel looking at its origins evolution and role in contemporary literature Augustus Montague Summers 1880 1948 was an English clergyman and author most famous for his studies on vampires witches and werewolves all of which he believed to be very much real He also wrote the first English translation of the infamous 15th century witch hunter's manual the Malleus Maleficarum in 1928 Contents include The Romantic Feeling Notes to Chapter I The Publishers and the Circulating Libraries Notes to Chapter II Influences from Abroad Notes to Chapter III Historical Gothic Notes to Chapters IV Matthew Gregory Lewis etc Other notable works by this author include A Popular History of Witchcraft 1937 Witchcraft and Black Magic 1946 and The Physical Phenomena of Mysticism 1947 Many vintage books such as this are becoming increasingly scarce and expensive We are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author *The Course of English Surrealist Poetry Since the 1930s* Rob Jackaman,1989 This study proposes that there has been a revival of surrealist poetry and traces an uninterrupted thread of development in surrealism throughout 20th century English poetry *A Companion to British Art* David Peters Corbett,2016-02-16 This companion is a collection of newly commissioned essays written by leading scholars in the field providing a comprehensive introduction to British art history A generously illustrated collection of newly commissioned essays which provides a comprehensive introduction to the history of British art Combines original research with a survey of existing scholarship and the state of the field Touches on the whole of the history of British art from 800 2000 with increasing attention paid to the periods after 1500 Provides the first comprehensive introduction to British art of the eighteenth nineteenth and twentieth centuries one of the most lively and innovative areas of art historical study Presents in

depth the major preoccupations that have emerged from recent scholarship including aesthetics gender British art s
relationship to Modernity nationhood and nationality and the institutions of the British art world
