*The Short Sweet Dream of Eduardo Gutierrez* Jimmy Breslin, 2010-02-17 The Short Sweet Dream of Eduardo Gutierrez is a towering achievement by one of America's most respected journalists. A work of conscience that travels from San Mateo to Cuatlatyotla, a small dusty town in central Mexico, to the cold and wet streets of Williamsburg, Brooklyn, this searing exposé chronicles the life and tragic death of an undocumented worker along with broader issues of municipal corruption and America's deadly and controversial border policy. **Short Sweet Dream of Eduardo Gutierrez** Jimmy Breslin, 2003-02-01

Focus On: 100 Most Popular Deaths from Pneumonia Wikipedia contributors, Hands Janet Zandy, 2004 In linking forms of cultural expression to labour, occupational injuries and deaths, this title centres what is usually decentred: the complex culture of working class people. Striving and Surviving Leah Schmalzbauer, 2013-10-08 Drawing on data she gathered in Honduras and the United States from weekly time diaries, in-depth interviews, participant observation, and interpretive focus groups, she looks specifically at the experience and prospects of transmigrant labor in the United States: the aspirations and consumption practices of transnational family members in the United States and Honduras, especially as they relate to the American Dream, and she explores the ways in which families negotiate caretaking responsibilities, both financial and emotional, while striving and surviving in a transnational space. This is the first daily life study of undocumented immigrants and the first transnational analysis of Honduran families. Limbo Alfred Lubrano, 2010-12-22 In *Limbo*, award-winning journalist Alfred Lubrano identifies and describes an overlooked cultural phenomenon: the internal conflict within individuals raised in blue collar homes now living white collar lives. These people often find that the values of the working class are not sufficient guidance to navigate the white collar world where unspoken rules reflect primarily upper class values. Torn between the world they were raised in and the life they aspire to, they hover between worlds not quite accepted in either. Himself the son of a Brooklyn bricklayer, Lubrano informs his account with personal experience and interviews with other professionals living in limbo. For millions of Americans, these stories will serve as familiar reminders of the struggles of achieving the American Dream.
