A SHORT SYNTAX
of
NEW TESTAMENT GREEK

By
H. P. V. NUNN

"An excellent manual designed for students in theological colleges and those who take up Greek at the end of their school life, or later, with a view to reading the New Testament. Deviations from classical Greek are indicated, also Latin parallels, and the whole begins sensibly with a section on English Grammar. . . An appendix on Greek verbs and their inflexions completes a treatise which should be widely used."

THE STUDENT

"Mr. Nunn's qualifications for the work which he has undertaken are beyond question, and he has produced just such a treatise as is needed. . . The author's method is remarkable for its clearness. . . It calls for gratitude by reason of its practical usefulness, and we are glad to commend it."
