Spiritual Bypassing Robert Augustus Masters, Ph.D.,2010-07-27 A wonderfully significant and important book Ken Wilber The Integral Vision A timely and penetrating analysis of spirituality s shadow Stephen Batchelor Buddhism without Beliefs A spiritual teacher and integral psychotherapist offers a first of its kind study on how we use and abuse spiritual beliefs and practices revealing how to identify and move beyond what holds us back from living life fully Spiritual bypassing the use of spiritual beliefs to avoid dealing with painful feelings unresolved wounds and developmental needs is so pervasive that it goes largely unnoticed The spiritual ideals of any tradition whether Christian commandments or Buddhist precepts can provide easy justification for practitioners to duck uncomfortable feelings in favor of more seemingly enlightened activity When split off from fundamental psychological needs such actions often do much more harm than good While other authors have touched on the subject this is the first book fully devoted to spiritual bypassing In the lineage of Ch gyam Trungpa s landmark Cutting Through Spiritual Materialism Spiritual Bypassing provides an in depth look at the unresolved or ignored psychological issues often masked as spirituality including self judgment excessive niceness and emotional dissociation A longtime psychotherapist with an engaging writing style Masters furthers the body of psychological insight into how we use and abuse religion in often unconscious ways This book will hold particular appeal for those who grew up with an unstructured new age spirituality now looking for a more mature spiritual practice and for anyone seeking increased self awareness and a more robust relationship with themselves and others

Understanding Spirituality and living it 24x7: Real Questions, Rational Answers Ramesh Bijlani,2025-06-30 From being a fashionable substitute for religion to a sophisticated synonym for being a good person and many things in between spirituality can mean anything But what does it really mean Why should we know what it really means Is spirituality mere intellectual entertainment Isn t it enough to be a good person and let rationality guide life Understanding Spirituality and living it 24 x 7 answers all these questions and more in a language that is clear simple and easy to understand Using examples from everyday life it shows how spirituality can bring joy peace and fulfillment to individuals as well as make the world a better place to live in Religion of the Rustic Gods Vs. the Gospel Truth Uche Ephraim Chuku,2007-05 The motive of all customary religions is the same to jointly serve the will of the wicked gods of the world They also have one clear and simple message for enlightened humankind to return to the Eden like life of total spiritual blindness and shamelessness presented in various ways by the various religious sects The brave achievements of Adam and Eve in Eden receiving the divine fruit of the knowledge of good and evil for humankind still pose great worries for Yahweh

Allah and the other sneaky gods of the world In retaliation the gods try to reverse humankind's spiritual gains through the devious activities of human religion Religion of the Rustic Gods Vs the Gospel Truth Religion without Reason Book 5 examines the teachings of the various major religions of the world Uche E Chuku asserts that in respect to humankind's quest for true spiritual salvation Hinduism Jainism Sikhism Buddhism Confucianism Taoism Shinto and all other religions are simply religions for nothing What they espouse as mystical awakening is blindness to the basic facts of this life Chuku discusses how the founders of all the customary religions of the world have become the thieves and robbers of human souls and why seeking to unite with the gods of the world is seeking to share in their eternal spiritual damnation **SPIRITUAL AWAKENING** Darshan Singh, 2025-02-22 The Golden Age begins with each of us it begins within each of us There is a sure definite path which we can follow to realize the totality of our potential the path of Spiritual Awakening It is at once man's oldest and his newest preoccupation We need only look at recent medical research in life after death experiences and studies in the New Physics to realize that science itself is now confirming the insights of the ancient prophets and mystics The language and symbols may change as time passes or as we move from one culture to another but the underlying truth is the same The talks collected here fall into three parts Part I Eternal Science deals with the fundamentals of spirituality Part II Crucible examines the daily discipline necessary for success on the spiritual path Part III Alchemy of Love considers love as that alchemy which alone transforms the human into the divine Finally Part IV comprises questions and answers which explore related issues If some of the chapter titles appear to be unusual for a collection on mysticism and spirituality there is an unusual explanation I made my first tour of America during the summer of 1978 A two month program of lectures was planned but much to the dismay of those traveling with me the suitcase filled with all my notes articles and manuscripts the material for my lectures was lost by the airlines With talks scheduled for almost every night what was to be done As I then remarked The choice is to turn and flee or to plunge headlong into the program Relying on the grace of the great Masters Hazur Baba Sawan Singh and Sant Kirpal Singh I decided to take the plunge According to an old tradition in India parents are honor bound to preserve the purity of their daughter up to the time they give her away in marriage So I prayed to the Masters to preserve their own honor and they came to my rescue Because of these circumstances the themes of the talks often suggested themselves by the accidents of the moment On one occasion as I walked to a hotel lecture hall a marriage party was in progress and the result was Eternal Spouse On another the hotel's air conditioning failed and the guests squirmed in discomfort This mechanical breakdown became my point of departure for Air conditioning This collection of talks also includes several delivered in India and these too follow a similar pattern of development After particularly heavy rains floods destroyed much property and tragically took the lives of many people in Delhi Witnessing the extent of this disaster on the way to deliver a weekly discourse I spoke of the Boat of Naam I am indebted to Vinod Sena Ruth Seader and Jay and Ricki Linksman for preparing this volume for publication Some of the chapters contained herein have previously appeared in
