And there are certain of them that are very real I remember vaguely my time in college We had to study books we could not just read them Looking back I have to think that eighteen to twenty one year old children are too young to appreciate what they are studying Rereading some of what I had to read in college I can now at my advanced age come away with an understanding of what I am reading This collection holds no hidden meaning or symbolism If you see any of that then you made it up Mine is an open book if you will There are no vague literary references either I do not have to be pedantic I do brag a little about my life though This may seem pretentious also but this is my book I just want anyone who reads this book to enjoy
