Loud Sparrows Aili Mu, Julie Chiu, Howard Goldblatt, 2006. If sparrows are but a metaphor, every writer faces the challenge of reality, which is to say how one catches this sparrow. So writes Bei Dao in his preface to *Loud Sparrows*, a spirited collection of ninety-one short shorts, an exciting new form of extreme short storytelling that has swept the creative consciousness of mainland China, Hong Kong, and Taiwan. The artistic and aesthetic freedoms of short shorts enable writers to capture the tone, texture, and chaos of their rapidly changing societies in infinitely inventive ways. Written by Chinese authors over the past three decades, the stories in this anthology are culled from newspapers, magazines, literary journals, and personal collections, and their subjects range from humanist ideals and traditional virtues to the material benefits of a commercialized society.

Kiss Across Memories Tracy Cooper-Posey, 2024-08-21. Unique insights from the author on the writing of the *Kiss Across Time* series. A collection of essays on the inception and writing of every single book in the *Kiss Across Time* series, along with pithy comments on a writer's life and the peculiarities of the publishing industry, all written in Tracy's personal and unique style. This unique collection provides insights into the strange world of publishing and a writer's work processes that go into the building of stories. Find out why books are written the way they are and why covers sometimes suck. The differences between short stories and novels and why both are great to read. Then there are the stories about Tracy's childhood in Australia and how she was drawn to write fiction from a very early age and why. More tales about her life in Canada and how everything she has lived through has contributed to the stories readers enjoy. Tracy's *Kiss Across Memories* collects together the introductory essays found in each book in the Tenth Anniversary Limited Editions series, which was only available for a very short time and never made available for retail sale.
