Shot Callerz:

The Shot Callers Lakesha Singletary, 2013-03 *Shot Caller* Sara Driscoll, 2023-10-10 NYPD detective Gemma Capello is called to Rikers Island where a prison riot threatens to become a bloodbath. On Rikers Island tensions always run high especially in the Enhanced Supervision Housing unit. The ESH is home to Rikers most dangerous offenders many of them members of rival street gangs. When Gemma Capello and her team get word of an uprising at the ESH they know how much is at stake. It's also the first case she and Detective Sean Logan have worked together since a siege at City Hall. Built to prevent escape prisons are also especially difficult to invade a last resort for Gemma. She begins negotiating with Kill Switch a young aggressive member of the Filero Kings gang and the inmates spokesman. She can tell the stress level is escalating inside. That may give her team some advantages but it soon leads to a brutal act of retribution and threats of more to come. With the body count rising and her team arguing about how to proceed the only certainty is that the next misstep may be a fatal one.

Ash Dark as Night Gary Phillips, 2024-04-02 In the follow up to *One Shot* Harry fearless crime photographer and occasional private eye Harry Ingram finds himself in the LAPD's crosshairs after capturing damning evidence of police brutality. An atmospheric dive into a city on the brink that's brimming with remarkable historical detail. *Ash Dark as Night* is perfect for fans of Walter Mosley and James Ellroy. Los Angeles August 1965. Anger and pent up frustrations boil over in the Watts neighborhood after a traffic stop of two Black motorists. As the Watts riots explode crime photographer Harry Ingram snaps photos at the scene including images of the police as they unleash batons, dogs, and water hoses on civilians. When he captures the image of an unarmed activist being shot down by the cops he winds up in the hospital, beaten, his camera missing. Proof of the unjust killing seems lost until Ingram's girlfriend Anita Claire retrieves the hidden film in a daring rescue. The photo makes front page news. A recuperating Ingram is approached by Betty Payton, a comrade of Anita's mother who wants Ingram's help tracking down her business associate Moses Mose Tolbert last seen during the riots. Ingram follows the investigation down a rabbit hole of burglary rings, bank robberies, looted cash, and clandestine agendas all the while grappling with his newfound fame which puts him in the sightlines of LAPD's secretive intelligence division. *Ash Dark as Night* is a nail biting ride along through midcentury Los Angeles with a crime fiction legend in the driver's seat.

Bad Night Is Falling Gary Phillips, 2024-07-23 When Black private eye Ivan Monk takes on a case in a housing project in South Los Angeles he finds himself facing off with corrupt police and gang members and indicted for murder. Heat is building in the Rancho Tajuata Housing Projects and not just because it's summer in L.A. When a Mexican family is killed by a firebombing local rage threatens to grow out of control. The pressure is on to solve this case quickly to help deescalate the tense situation. At the request of the tenant's security force P.I. Ivan Monk is called in to find the killer. To track the murderer down Monk must delve into a tangled history leading all the way back to the 1965 Watts riots, a hunt that reveals layers of buried racism and corruption. Monk sorts through the complexities of gang conflicts and governmental kickbacks only to find himself at
