bacchanalia of Studio 54 from cocaine to Caravaggio Along the way the author weaves together a vivid story of the Italian neighborhood in Brooklyn where he grew up and especially of his overly dramatic mother The author chronicles his deeply personal often hilarious and always entertaining journey as he comes to terms with how the pull of his mother affected his many relationships with women and informs the bond he has formed with his own son A Shot in the Dark is a shocking sexy and surprisingly revealing memoir that pulls you into the many frames of life     *A Shot in the Dark* Harry Kurnitz,1962 The bumbling Inspector Clouseau s attempt to prove the innocence of a voluptuous French maid the prime suspect in a series of bizarre murders leads him to a nudist colony and the Parisian mansion of a French millionaire     *A Shot in the Dark* Harris Livermore Coulter,Barbara Loe Fisher,1991-01-01 Every week tens of thousands of children across America are injected with the DPT diphtheria pertussis tetanus vaccine The law requires it and most children will get four DPT shots before they are two years old But what if one of the components of the vaccine was not safe What if it caused not only pain swelling screaming and high fever but also shock convulsions brain damage and even death And to make matters worse what if there were a safer alternative but parents didn t know about it Wouldn t the government require the drug manufacturers to produce the safer vaccine to protect the lives of the children who might otherwise suffer the shot s crippling side effects The answer is unfortunately no A Shot in the Dark is a chilling account of just how dangerous the whole cell pertussis vaccine the P part of the DPT shot has proven to be It provides accurate research into the history of the vaccine s development and usage It exposes the roles played by the FDA and drug companies It tells the tragic stories of the young victims of the vaccine This book is also a guide for rightfully concerned parents who are looking for answers to important questions What are the warning signs to look for to tell if your child is likely to be sensitive to the vaccine What should parents ask their doctors about the vaccine and their child s medical profile What is being done here and in other countries to combat this frightening situation What can parents do now to help A Shot in the Dark is a responsible eye opening look at a potential problem that every parent of every young child living in this country must face Armed with the facts in this important book parents will be able to make informed decisions about their real medical options Book jacket     *A Shot in the Dark* Victoria Lee,2023-09-05 NATIONAL BESTSELLER A passionate and powerful romance featuring a transgender man and an ex Orthodox woman who find each other through their devotion to art and fall in love despite all odds from bestselling author Victoria Lee A sensual love story about art and passion emotional and heart aching Ashley Poston New York Times bestselling author of The Dead Romantics A BEST BOOK OF THE YEAR PopSugar She Reads Publishers Weekly Elisheva Cohen has just returned to New York after almost a decade away The wounds of her past haven t fully healed but four years of sobriety and a scholarship to study photography with art legend Wyatt Cole are signs of good things to come right They could be as long as Ely resists self sabotage She s lucky enough to hit it off with a handsome himbo her first night out in the city But the morning after their mind blowing hookup reality comes knocking When Wyatt Cole walks into the classroom Ely realizes the man she just spent

the night with the man whose name she couldn't hear over the loud club music is her teacher. Everyone in the art world is obsessed with Wyatt Cole. He's immensely talented and his notoriously reclusive personal life makes him even more compelling. But behind closed doors, Wyatt's past is a painful memory. After coming out as transgender, Wyatt was dishonorably discharged from the military and disowned by his family. Since these traumatic experiences, Wyatt has worked hard for his sobriety and his flourishing art career. He can't risk it all for Ely, no matter how attracted to her he is or how bad he feels about insisting she drop his class in exchange for a strictly professional mentorship. Wyatt can help with her capstone photography project, but he cannot under any circumstances fall in love with her in the process. Through the lens of her camera, Ely must confront the reason she left New York in the first place: the Orthodox community that raised her then shunned her because of her substance abuse. Along the way, Wyatt's walls begin to break down, and each artist fights for what's right in front of them: a person who sees them for all that they are and a love that could mean more than they ever imagined possible.

*The Shot in the Dark* W. W. G. Hale, 2014-07-28 THE ISIS FACTOR He stepped onto a stage of glaring lights, a worldwide media blitz, and a changing world, a world that could be changed for the better, more human. But in the shadows was a trusted bodyguard who was also an American-bred agent of ISIS. The next second, the lights went out, two shots rang out, someone moaned, and the smell of blood and cordite filled the room. These were the shots that were heard throughout the universe. The world had changed, but to what? Okay, Tell me what you have against Hamilton. It's nothing personal, it's just that we're not ready for a Black President right now. Maybe a few years down the road. Like I said, it's not personal. I don't think the time is now. Really, if not now, then when, and why should they wait? Wait for WHAT

**A Shot in the Dark** Sid Cooper, 2013-06-29 The peacefulness of the small, quiet town is disturbed in the middle of the night when a shot rings out, but when the police come to investigate, at first there are no signs of violence. Then a trace of blood is found, and it is human. There is no body, no cartridge case from the bullet, no one is brought to hospital with a bullet wound, and no one is reported missing. Detective Sergeant Rob Cording is put in charge of the case, and he sends his men door to door to gather information from witnesses. When a week later a body is fished out of the sea, Cording begins to fit the clues together, and the trail leads from the country where the crime was committed, which is never disclosed, across an ocean to Columbia, Venezuela, and Holland.

**A Shot in the Dark** Lynne Truss, 2018-11-06 The charming first novel in a new comic crime series from New York Times bestselling author Lynne Truss. It's 1957, and Inspector Steine rather enjoys his life as a policeman in the seaside British town of Brighton. As far as he's concerned, the town has no criminals, which means no crime and no stress. But much to Steine's irritation, there's a new constable in town, the keen and clever Constable Twitten, who sees patterns in small, meaningless burglaries and insists on the strange notion that perhaps all the crime has not been cleared out quite as effectively as Steine thinks. Worse yet, some of Constable Twitten's ideas could be correct when renowned theater critic A. S. Crystal arrives in Brighton to tell the detective the secret he knows about the still unsolved Aldersgate Stick Up Case of 1945.
