## **Shots For Lower Scoring:**

**The Women's Guide to Lower Scores** Kellie Stenzel, 2004-05 You have managed to develop a respectable game of golf but your score just doesn't seem to be getting any lower. We have all experienced the frustration of getting right up to the edge of the green only to throw away numerous shots with a missed chip or one too many putts and now is the time to take responsibility for your score and your short game will be the quickest way to do this. The short game is more different for women than any other part of the game. The short game schools are often advertised as 100 yards in and shots of 100 yards may be a full 7 or 8 iron for many women. But the short game provides a wonderful opportunity for women to even the playing field. A good short game can compensate for a multitude of mistakes and take a lot of pressure off the full swing. By identifying strengths and weaknesses from the smallest stroke to the largest swing and applying simple methods for quick skill improvement you will learn to self-correct and better manage your own golf game. Beginning with advice on making better decisions about shot selection and practice techniques from fairway and bunker to green. **The Women's Guide to Lower Scores** will take players through the steps they need to conquer the game and bring on the lower scores. [Shots for Lower Scoring](#) Beverly Lewis, 1994 Golf would be a dull game if all courses were hazardless. Because they're not, the ball is bound to find an awkward lie at some time. This book unravels the mysteries of playing from slopes, avoiding trees, and firing into difficult greens: all important skills to master for a sound all-around game. [Unconscious Scoring](#) Dave Stockton, 2012-09-13 The Pro Tour's hottest coach. *Golf Digest* scores the perfect follow-up to his bestselling golf guide *Unconscious Putting*. Dave Stockton is hotter than ever. The 2011 U.S. Open winner Rory McIlroy studied with the renowned instructor and two-time former PGA champion and credits Stockton's teachings as the reason behind his own putting success. In *Unconscious Putting*, Stockton introduced amateur players to the techniques, strategies, and mental processes he uses to help tour players find so much success on the green. Now *Unconscious Scoring* completes Stockton's short game education by teaching readers how to make the most of shots around the green, the best place to achieve lower scores. Simplicity is the key to Stockton's remarkable instruction success and he breaks down the short game into two components: low shots and high shots, explaining both the technique and the context of how and when the shots should be used. Besides McIlroy, Stockton has worked with champions such as Phil Mickelson and Yani Tseng, the number one ranked woman in the world, and Annika Sorenstam. In *Unconscious Scoring*, Stockton illustrates his principles with examples from his week-to-week sessions with these and many more of the game's top players. Including black and white and color photos and instructional video tags, *Unconscious Scoring* reveals the simple processes and transformative insights that every player, whatever his or her handicap, yearns to master.
