Should Babies Be Baptized:

SHOULD I GET MY BABY BAPTIZED Ben Kniskern, 2013-03-31 Should I get my baby baptized Is christening a baby the right thing to do If you are asking these questions it shows that you have a genuine concern for your child s future a future that will be in serious jeopardy if you as a parent are not careful to make wise decisions on your child s behalf The fact is infant baptism is only the first in a long line of critical choices that you will have to make in the foreseeable future These decisions will determine what kind of person this little baby you are holding in your arms will ultimately become as well as their eternal destiny Having a child makes you a parent and parents in God s eyes are responsible for training their child in the teachings of the Lord This book first helps you understand God s teaching on the subject of baptism and then moves on from there to share proven Christian child raising techniques that will help you raise a child that will bring you joy as a parent

Infant Baptism and the Covenant of Grace Paul King Jewett, 1978 This is a print on demand book and is therefore non returnable Paul Jewett author of the creative and highly provocative book *Man As Male and Female* here turns his critical attention to the practice of infant baptism Jewett does not accept the traditional covenant argument for baptizing infants and this book explains why he believes this argument fails Infant baptism is not a subject which can be isolated For as Jewett would have his readers understand one s view on this issue is integrally related to one s view of the sacraments in general and thereby to the whole doctrine of the church and salvation Thus it is understandable that what appears to be a minor theological question has had such divisive effects on the church A discussion of the historical

source of infant baptism begins Jewett's critique and introduces such issues as the distinction between infants and children the silence of certain early church fathers on the subject infant communion and catechetical instruction The second and major portion of this book examines the theological issue focusing specifically on the covenant argument which suggests that baptism replaces circumcision as the sign of the covenant and thereby is given to infants This argument Jewett claims fails to take into account the historical character of revelation and contains certain contradictions Jewett concludes with a creative defense of believer baptism one which is theologically responsible and which recognizes the profound truths of covenant theology Who Should be Baptized; and How? Should Babies be Baptized? ,20?? *Missionary Baptism & Evangelical Unity* J. Cameron Fraser, 2021-10-15 The concept of missionary baptism is based on the household baptism of converts and their families described in the New Testament This is most commonly experienced today in missionary situations when entire families become Christians Building on the work of nineteenth century Scottish theologian William Cunningham this study explores some implications for the connection between believers baptism infant baptism baby dedication and Christian unity particularly among evangelicals **Salvation by Grace Through Faith: The Gospel, Obedience, and Calvinism** David Pratte, 2019-10-16 A study of the fundamentals of salvation according to the gospel through the blood of Jesus Christ Includes a careful study of obedient faith compared to Calvinism Topics discussed include the following The sacrifice of Jesus Christ The importance of the gospel faith obedience repentance confession A careful study of baptism its purpose action and proper subject Should an alien sinner pray for forgiveness What does it mean to be born again The importance of living a faithful life as a Christian The importance of Jesus church Forgiveness for children of God who return to error Original sin and inherited depravity Election and predestination Grace and mercy of God Falling from grace Once Saved Always Saved Faith only or obedient faith

Should Babies Be Baptized? T.E. Watson, 1995 Infant Baptism in Historical Perspective David F. Wright, 2007-04-01 These important and incisive essays spanning more than two decades of research and engagement probe facets and episodes of infant baptism's fortunes over twenty centuries The story of pedobaptism is traced from its shadowy beginnings as a variant of faith baptism through inflated Reformation defenses as infant baptism monopolized baptismal thought and practice to biblical and ecumenical reevaluations and hopeful contemporary rapprochements across divisive waters It Takes a Church to Baptize Scot McKnight, 2018-08-21 The issue of baptism has troubled Protestants for centuries Should infants be baptized before their faith is conscious or does God command the baptism of babies whose parents have been baptized Popular New Testament scholar Scot McKnight makes a biblical case for infant baptism exploring its history meaning and practice and showing that infant baptism is the most historic Christian way of forming children into the faith He explains that the church's practice of infant baptism developed straight from the Bible and argues that it must begin with the family and then extend to the church Baptism is not just an individual profession of faith it takes a

family and a church community to nurture a child into faith over time McKnight explains infant baptism for readers coming from a tradition that baptizes adults only and he counters criticisms that fail to consider the role of families in the formation of faith The book includes a foreword by Todd Hunter and an afterword by Gerald McDermott **Answers** James Creed Jr.,2003-11-25 As the lightning cometh out of the east and shineth even unto the west so shall also the coming of the son of man be **The Monthly Repository of Theology and General Literature** ,1818 **The Watchman-examiner** ,1916
