Religion Vs Christianity Steven Channing, 2008-04 It has been

said that an 8 year old should be able to understand all but about 80 of the terms within the Holy Bible So why then is it so difficult for an adult With so many bible versions out there is there a right or a wrong one Who is Jesus and what did he have to say about such issues Who is the Holy Spirit which is spoken of by Christians And as of touching upon Christians who are they What do they believe in Where are they right Where are they wrong Are there doctrines which won t hold up Inside of this book are the foundational building blocks to finding out the truth in these questions and many more Are we all under the same God but just serving him in different ways or for that matter who or what is this God Every religion has its own version Even the Atheists could learn something from this book This book should help to expose hypocrisy for what it truly is If you have ever had any questions about how to deal with those who would try to impress their religion upon you then read this book It will start to expose the hidden truths in Religion versus Christianity The things which the people of this world do not want you to know This book is not propaganda but rather a search for the truth behind religious belief systems Years of research are at your fingertips you now have a guide to get you started What you don t know can hurt you but what you think that you know may be worse yet
