Goldberg, Danielle C. Slakoff, Carrie L. Buist, 2023-08-25 This book examines the representation and misrepresentation of queer people in true crime addressing their status as both victims and perpetrators in actual crime as well as how the media portrays them The chapters apply an intersectional perspective in examining criminal cases involving LGBTQ people as well as the true crime media content surrounding the cases The book illuminates how sexual orientation gender race and other social locations impact the treatment of queer people in the criminal legal system and the mass media Each chapter describes one or more high profile criminal cases involving queer people e g the murders of Brandon Teena and Kitty Genovese serial killer Aileen Wuornos the Pulse nightclub mass shooting The authors examine how the cases are portrayed in the media via news films podcasts documentaries books social media and more Each chapter discusses not only what is visible or emphasized by the media but also what is invisible in the accounting or societal focus surrounding the case Lesser known but similar cases are used in the book to call attention to how race gender sexuality sexual orientation social class and or other features influence the dominant narrative surrounding these cases Each chapter addresses teachable moments from each case and its coverage leaving readers with several considerations to take with them into the future The book also provides media resources and supplemental materials so that curious readers including scholars students content creators and advocates can examine the cases and media content further The book will appeal to scholars and students of criminology psychology sociology law media studies sexuality studies and cultural studies and people with an interest in true crime [Internet Lesbian and Gay Television Series, 1996-2014](#) Vincent Terrace, 2015-05-23 Created around the world and available only on the Web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The third of five volumes on Internet TV series this book covers 335 alphabetically arranged gay and lesbian programs 1996 2014 giving casts credits story lines episode descriptions websites dates and commentary A complete index lists program titles and headings for gay lesbian bi sexual transgender and drag queen shows [In Search of Pure Lust](#) Lise Weil, 2025-07-30 When Lise Weil came out in 1976 she came out into a land that was all on fire Lesbian desire was the pulsing center of an entire way of life a culture a movement The air throbbed with possibility At the center of *In Search of Pure Lust* is Weil s immersion in this culture this movement the grand experiment of

lesbian feminism of the 70s and 80s She and the women around her lived in a state of heightened erotic intensity that was she believed the source of their most vital knowledge Desire was their guiding light But after fifteen years of torrid but ultimately failed relationships that tended to mirror the tumultuous political currents swirling around her she had to admit that desire was also a conduit for childhood wounds It reared its head when she was feeling wary estranged abused even It flagged when she was fondest and most trusting And it tended to trump love over and over again In the mid 80s when a friend asked Weil to accompany her on a Zen retreat she was desperate enough to say yes Her first day of sitting zazen was mostly hell but smitten with the female roshi she stuck with it later returning for sesshin after sesshin A period of difficult self examination ensued and over a period of years she began to learn an altogether different approach to desire Ultimately what her search for pure lust uncovered is something that looks a lot like love **Seven Deadly Sins** Corey

Taylor,2012-07-03 For the first time Slipknot and Stone Sour frontman Corey Taylor speaks directly to his fans and shares his worldview about life as a sinner And Taylor knows how to sin As a small town hero in the early 90s he threw himself into a fierce drinking drug abusing hard loving live for the moment life Soon Taylor s music exploded and he found himself rich wanted and on the road His new and ever more extreme lifestyle had an unexpected effect however for the first time he began to actively think about what it meant to sin and whether sinning could or should be recast in a different light **Seven Deadly Sins** is Taylor s personal story but it s also a larger discussion of what it means to be seen as either a good person or a bad one Yes Corey Taylor has broken the law and hurt people but if sin is what makes us human how wrong can it be **The Advocate** ,2004-08-17
