**Good Trouble** Joe Biel, 2016-03-15 The history of Microcosm Publishing from its origins as a record label and zine distro  
in Joe Biel s bedroom closet in Cleveland to a thriving sustainable publisher of life changing books The book comes out to  
mark Microcosm s 20th anniversary and all the shit and splendor that s gone into making us who we are In 1996 everything  
about Joe Biel s life seemed like a mistake He was 18 he lived in Cleveland he got drunk every day and he had mystery health  
problems and weird social tics All his friends lives were as bad or worse To escape a nihilistic apocalyptic worldview and to  
bring reading and documentation into a communal punk scene he started assembling self published misfit zines and bringing  
them in milk crates to underground punk shows As he applied the economics and values of underground punk rock music to  
publishing books his worldview expanded along with his business and so did the punk community s idea of what was possible  
Eventually this became Microcosm Publishing But all was not rosy Biel s head for math was stronger than his ability to relate

to people and for everything that added up right more things broke down He developed valuable skills and workarounds but it wasn't until he was diagnosed with Asperger's Syndrome that it all began to fall into place Good Trouble is a tale of screwing up trying again and always finding a way to do it better It's a book for anyone who has ever failed big and dreamed bigger It's about developing a toolkit for turning your difficulties into superpowers building the world that you envision and inspiring others to do the same This is the story of how over 20 years one person turned a litany of continuing mistakes and seemingly wrong turns into a happy fulfilled life and a thriving publishing business that defies all odds With a foreword by Sander Hicks founder of Soft Skull Press and an introduction by Joyce Brabner co author with Harvey Pekar of Our Cancer Year *Billboard* ,1948-06-26 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
