The Show Down in St. Augustine Fritz Rumpel, 2000-12-29 They had come down to St Augustine for very different reasons Zephyr Williams got there first to work for the Granada Street Scrutineer and to keep quiet That is what Zephyr was born to do and in St Augustine he thought he had found the perfect place in which to do it Bookworm came there to become calm and to develop attractive creases around his eyes But if that failed he could always throw himself into the ocean Desperate for success after years of false promise followed by self imposed inertia Nikki Hart was certain that St Augustine was the intersection of her late parents utopian village and Martin Luther King Jr s beloved community Instead she found well Bookworm and Zephyr

Showdown Elizabeth Drew, 1997-02-18 The Struggle Between the Gingrich Congress and the Clinton White House Showdown is the story of the most dramatic political rivalry in decades The Democratic President brilliant but seen as indecisive and vulnerable is directly challenged by the equally brilliant new Republican Speaker of the House who seeks to complete the Reagan Revolution by repealing the Great Society and the New Deal In her last book the highly acclaimed On the Edge The Clinton Presidency Elizabeth Drew took readers on a revealing tour behind the scenes of Bill Clinton s White House during his first year and a half in office showing us how and why his administration failed Then came the 1994 congressional elections in which the Republicans gained control of the Congress including the House for the first time in forty years This tremendous victory long planned by Newt Gingrich left the Democrats stunned and confused and set the stage for the Republicans to attempt a dramatic possibly historic rearrangement of the country s politics Drew writes with proven authority and intimate detail of the titanic battle that ensued between the Clinton administration and the Republican Congress especially between the wavering President and the determined Speaker Drew s masterly reporting exposes the range of Gingrich s ambition and the way he sought to control the House She describes Gingrich s complex relationship with Senate Majority Leader Bob Dole who no enthusiast struggled to keep up with Gingrich s revolution and shows the impact the race for the Republican presidential nomination in particular between Dole and Senator Phil Gramm had on national policy Through amazingly candid interviews with key congressional figures Drew elicits exactly how the GOP leadership formed a strategy to roll back the welfare state and destroy the power of the Democratic base She again takes us behind the scenes to show us what the key players on both sides were doing and saying privately as they waged their all out war She tells us what the outwardly confident Gingrich worried about She shows President Clinton trying to regain his footing following the devastating election a humiliation that he and his wife took much harder than was publicly understood and turning to a new key adviser Dick Morris Drew describes what effect Morris a former Republican adviser had on Clinton and the new strains within the White House his arrival caused She presents a White House more riven than any in memory Showdown makes clear the enormous stakes of this political struggle no less than the future direction of the federal government and the fate of programs that affect everyone s life
