Powerful stories about the many guises of family bonds **The Fall of the House of Usher and Other Stories** Edgar Allan Poe,2023-12-12 The chilling classic that inspired the new Netflix horror drama *The Fall of the House of Usher* Venture if you dare into the House of Usher The narrator visits his friend Roderick Usher in his decaying mansion only to witness the harrowing unravellings of Usher s mind and the dark family secrets lurking beneath the crumbling ancestral home A classic tale of gothic horror that has haunted readers for generations This collection includes *The Raven* *The Tell Tale Heart* *The Cask of Amontillado* *The Masque of the Red Death* *The Purloined Letter* *The Pit and the Pendulum* *Berenice* *The System of Doctor Tarr and Professor Fether* *The Fall of the House of Usher* and *MS found in a Bottle* Edgar Allan Poe 1809 1849 was an American writer renowned for his macabre and horror themed tales His poetic and mysterious style explored themes of death love and madness leaving a lasting impact on gothic literature Poe s notable works include *The Raven* *The Tell Tale Heart* and *The Fall of the House of Usher*

The Childhood of Jesus J. M. Coetzee,2013-09-03 From the Nobel Prize winning author of *Waiting for the Barbarians* *The Life Times of Michael K* and *Disgrace* Nobel laureate and two time Booker Prize winner J M Coetzee returns with a haunting and surprising novel about childhood and destiny that is sure to rank with his classic novels Separated from his mother as a passenger on a boat bound for a new land David is a boy who is quite literally adrift The piece of paper explaining his situation is lost but a fellow passenger Sim n vows to look after the boy When the boat docks David and Sim n are issued new names new birthdays and virtually a whole new life Strangers in a strange land knowing nothing of their surroundings nor the language or customs they are determined to find David s mother Though the boy has no memory of her Sim n is certain he will recognize her at first sight But after we find her David asks what are we here for An eerie allegorical tale told largely through dialogue *The Childhood of Jesus* is a literary feat a novel of ideas that is also a tender compelling narrative Coetzee s many fans will celebrate his return while new readers will find *The Childhood of Jesus* an intriguing introduction to the work of a true master

Shattered Voices Teresa Godwin Phelps,2010-11-24 Following periods of mass atrocity and oppression states are faced with a question of critical importance in the transition to democracy how to offer redress to victims of the old regime without perpetuating cycles of revenge Traditionally balance has been restored through arrests trials and punishment but in the last three decades more than twenty countries have opted to have a truth commission investigate the crimes of the prior regime and publish a report about the investigation often incorporating accounts from victims Although many praise the work of truth commissions for empowering and healing through words rather than violence some condemn the practice as a poor substitute for traditional justice achieved through

trials and punishment There has been until now little analysis of the unarticulated claim that underlies the truth commissions very existence that language in this case narrative stories can substitute for violence Acknowledging revenge as a real and deep human need Shattered Voices explores the benefits and problems inherent when a fragile country seeks to heal its victims without risking its own future In developing a theory about the role of language in retribution Teresa Godwin Phelps takes an interdisciplinary approach delving into sources from Greek tragedy to Hamlet from Kant to contemporary theories about retribution from the Babylonian law codes to the South African Truth and Reconciliation Report She argues that given the historical and psychological evidence about revenge starting afresh by drawing a bright line between past crimes and a new government is both unrealistic and unwise When grievous harm happens a rebalancing is bound to occur whether it is orderly and lawful or disorderly and unlawful Shattered Voices contends that language is requisite to any adequate balancing and that a solution is viable only if it provides an atmosphere in which storytelling and subsequent dialogue can flourish In the developing culture of ubiquitous truth reports Phelps argues that we must become attentive to the form these reports take the narrative structure the use of victims stories and the way a political message is conveyed to the citizens of the emerging democracy By looking concretely at the work and responsibilities of truth commissions Shattered Voices offers an important and thoughtful analysis of the efficacy of the ways human rights abuses are addressed

Asian American Fiction, History and Life Writing Helena Grice, 2012-11-12 The last ten years have witnessed an enormous growth in American interest in Asia and Asian American history In particular a set of key Asian historical moments have recently become the subject of intense American cultural scrutiny namely China's Cultural Revolution and its aftermath the Korean American war and its legacy the era of Japanese geisha culture and its subsequent decline and China's one child policy and the rise of transracial

international adoption in its wake Grice examines and accounts for this cultural and literary preoccupation exploring the corresponding historical political situations that have both circumscribed and enabled greater cultural and political contact between Asia and America

THE AWAKENING MALATI JAIKUMAR,2021-08-02 What moves a timid girl to turn aggressive Can a very old man conquer his abject fear of death Why is love so difficult to recognize How does utter revulsion turn to acceptance The answers to these questions and more are couched in the multifaceted and inspirational short stories belonging to different genres romance comedy horror and poignant human interest They explore the depth of emotions that drive ordinary people to rise to extraordinary heights in moments extraordinary One discovers that there is much more to routine events than meets the eye and simplicity can actually be quite complex The inexplicable presence of miracle in life never ceases to surprise Written with clarity and sensitivity Malati Jaikumar's keen perception and awareness of human relationships and emotions make the stories come alive She captures the effervescent humour of youth the pathos of heart rending loss and total depression as well as the sheer terror and torture within the so called safe four walls of a house Sixteen of the 20 powerful narratives revolve around women from different strata of society delving deep into their minds and emotions as they struggle to emerge from a trapped and claustrophobic existence
