Shuck Unmasked:

Shuck Unmasked Rick Smith, Tania Menesse, 2003 Shuck is a demon who used to be in the business of guarding souls Wearing an old man mask to hide his goat faced nature and to fit into his new retired lifestyle Shuck lives in a house next door to little Thursday Friday her mom and her talking cat Jamara The mask doesn't help him hide and Shuck is drawn into the netherworld he thought he had left behind Adventure ensues *Shuck Unmasked* collects the first four issues of the Ignatz nominated *Shuck Comics* and includes 54 pages of new material *The Scarlet Mystery; Or, Rome Unmasked ...* J. G. Macwalter, 1854 **Saint Jack** Paul Theroux, 1973 *The New York Times Biographical Service*, 1975 A compilation of current biographical information of general interest *Character and Caricature, 1660-1820* Jennifer Buckley, Montana Davies-Shuck, 2024-05-28 This edited collection offers a reappraisal of character as a precondition for caricature and addresses how the two began to merge becoming increasingly interlinked over the course of the long eighteenth century It emphasises the need to understand character more fully arguing that the nuances and origins of caricature can only be appreciated in light of the genre's prehistory and reliance on popular character types Interdisciplinary and multidisciplinary in approach the collection makes use of a variety of theories and addresses fiction in its broadest sense expanding and reconceptualising critical historical and theoretical discussion of character Chapters draw from disability studies cultural materialism gender studies and the history of sexuality spatial theory and performance studies *Woman 99* Greer Macallister, 2019-03-05 *Woman 99* is a gorgeous ode to the power of female courage Kate Quinn New York Times bestselling author of *The Alice Network* A vivid historical thriller about a young woman whose quest to free her sister from an infamous insane asylum risks her sanity her safety and her life When Charlotte Smith's wealthy parents commit her beloved sister Phoebe to the infamous Goldengrove Asylum Charlotte knows there's more to the story than madness She commits herself to the insane asylum surrendering her real identity as a privileged young lady of San Francisco society to become a nameless inmate *Woman 99* The longer she stays the more she realizes that many of the women of Goldengrove Asylum aren't insane merely inconvenient and her search for the truth threatens to dig up secrets that some very powerful people would do anything to keep Inspired by the investigative journalism of Nellie Bly and other true accounts of 19th century insane asylums Rich in detail deception and revelation *Woman 99* is historical fiction that honors the fierce women of the past born into a world that denied them power but underestimated their strength **Tragedy** Terry Eagleton, 2020-08-04 A new account of tragedy and its fundamental position in Western culture In this compelling account eminent literary critic Terry Eagleton explores the nuances of tragedy in Western culture from literature and politics to philosophy and theater Eagleton covers a vast array of thinkers and practitioners including Nietzsche Walter Benjamin and Slavoj Žižek as well as key figures in theater from Sophocles and Aeschylus to Shakespeare and Ibsen Eagleton examines the political nature of tragedy looking closely at its connection with periods of historical transition The dramatic form originated not as a meditation on the human

condition but at moments of political engagement when civilizations struggled with the conflicts that beset them Tragedy Eagleton demonstrates is fundamental to human experience and culture *Real Black* John L. Jackson Jr., 2005-11-15 New York's urban neighborhoods are full of young would be emcees who aspire to keep it real and restaurants like Sylvia's famous soul food eatery that offer a taste of authentic black culture In these and other venues authenticity is considered the best way to distinguish the real from the phony the genuine from the fake But in *Real Black* John L. Jackson Jr. proposes a new model for thinking about these issues racial sincerity Jackson argues that authenticity caricatures identity as something imposed on people imprisoning them within stereotypes turning them into racial objects and inanimate things instead of living breathing human beings Contending that such assumptions deny people agency not to mention humanity in their search for identity Jackson counterposes sincerity an internal and more productive analytical model for thinking about race Moving in and around Harlem and Brooklyn Jackson offers a kaleidoscope of subjects and stories that directly and indirectly address how race is negotiated in today's world including tales of name changing hip hop emcees book vending numerologists urban conspiracy theorists corrupt police officers mixed race neo Nazis and high school gospel choirs forbidden to catch the Holy Ghost Enlisting Anthroman his cape crusading critical alter ego Jackson records and retells these interconnected sagas in virtuosic detail and in the process shows us how race is defined and debated imposed and confounded every single day

Ripley, 2001-06-25 Aspen the American Riviera where the rich and the beautiful go to play Quiet streets breathtaking mountains and one of the lowest crime rates in America But that's about to change Real estate speculator Max Shapiro has been cleaning the San Francisco mob's money for three decades Then the hammer drops he's dying of cancer and is on borrowed time Resentful of the mob's hold and not wishing to die with an IV hose in his arm Max tells the mob he isn't paying any more tribute hoping they'll send someone to kill him While vacationing in Aspen however Max gets a call from his doctor Good news Max isn't dying after all But it's too late to call off the mob's killers Max's only hope is the enigmatic Cole Springer an ex Secret Service agent with a penchant for creative thinking broke and in danger of losing his Aspen nightclub Shapiro needs a bodyguard and Springer needs money so they cut a protection deal Enter Gerry Knucks Nugent a cerebral and deadly hit man in the midst of a midlife crisis who has been sent to kill Shapiro A mob boss dies in Frisco there is a struggle for power and an emergency cache of three million dollars ends up in the hands of Nicky Tortino a merciless Bay Area crime lord The shift in the underworld command sends shock waves rippling across the western United States affecting even Shapiro and Nugent Meanwhile Springer's active mind runs to larger themes than merely protecting Shapiro and he begins to formulate a scheme to save Shapiro and get his hands on the three million Springer's scam depends upon recruiting Nugent and Nugent is widely feared even by his ruthless bosses on the West Coast Bay Area underboss Nicky Tortino travels to Aspen to get Shapiro to launder the three million and also to have both Springer and Shapiro killed The law closes in and Springer is running out of time and options Beset on all sides Springer designs an

elaborate sting to extricate Shapiro and himself from the deadly web that has formed around them But can he trust Nugent

Visions of the End Times Laura Duhan-Kaplan, Anne-Marie Ellithorpe, Harry O. Maier, 2022-11-11 Global challenges fill the news today It s not always easy to balance fear with hope That s why this book points to resources for optimism and action A diverse group of scholars draw on Jewish Christian Islamic and M ori traditions to describe challenges and hopes They recognize the ruptures of militarism trauma colonialism religious nationalism climate change and more But they also describe the healing power of communal action spiritual practices biblical literature and the arts

Unprecedented Power Steven Fenberg, 2013-12-06 In this poignant and timely biography *Unprecedented Power* Jesse Jones *Capitalism and the Common Good* shows how the Reconstruction Finance Corporation RFC saved the United States economy during the Great Depression and militarized industry in time to win World War II RFC strategies and Jesse Jones s approaches can be adapted now to address the impacts of the new coronavirus and climate change President Herbert Hoover had established the RFC in 1932 to make loans to banks railroads and insurance companies and appointed Jesse Jones Houston s preeminent developer and a former finance chair of the Democratic National Committee to the bi partisan board With clear implications today Jones complained the RFC was slow and a year late and said if it had judiciously loaned five to seven billion dollars in 1931 and 32 economic collapse would have been prevented Soon after his inauguration President Franklin Roosevelt supercharged the RFC made Jones chair and the government agency began buying preferred stock in banks to stabilize and help them lend again Jones knew capital rather than debt was needed to save the banks and revive the flow of credit just as it was when the program was duplicated in 2008 as the Troubled Asset Relief Program better known as TARP Under Jones s leadership the RFC became the largest investor in the nation and rescued banks businesses homes and farms saved the railroads rebuilt communities after environmental calamities built bridges dams and aqueducts across the nation and brought electricity and appliances to rural America The RFC helped people and saved businesses during the Great Depression through judicious lending not spending and remarkably returned a profit to the government and its taxpayers As war spread Jones and FDR shifted the RFC s focus from domestic economics to global defense In its second cover story about Jones *TIME* magazine reported In all the U S today there is only one man whose power is greater Franklin Roosevelt The President knows Congress will give more to Jones without debate than he can get after a fight Emperor Jones is the greatest lender of all time Accordingly after Germany s European victories Congress on June 25 1940 gave Jones and the RFC the authority to build buy and lease plants to develop and manufacture metals ships airplanes tanks and guns to train aviators and with FDR s approval

to do anything required to arm the Allied Forces Almost half of its outsized investments went to corporations to help convert their production to war time needs One of its largest new plants the Dodge Chicago plant covered 145 acres and took in raw metal at one end and produced finished airplane engines at the other Like all its new factories the plant was built and owned by the federal government s RFC leased to corporations to operate and sold to private interests after the war Likewise coordinated national large scale efforts and government investments can be made to address today s daunting challenges Unprecedented Power dramatically describes how Jesse Jones and the RFC used every option to save life democracy and capitalism during two of the 20th century s most threatening events Unprecedented Power provides models for today by looking at successes from the past
