British Museum,1891 Letters to My Beloved Ghost George Lysloff,2005-06-20 Early in the years 2004 George the author of the Letters to my Beloved Ghost received a letter from the daughter of Hedi his deceased girl friend of over a half century ago informing him that she had uncovered a large box in the attic of her aunts house in the Lower Franconia town of Ebern in Bavaria In it along with many mementoes of her mothers youth she ran into a stack of letters that he had written Hedi in the years 1945 to 1949 a group of his love letters that she decided to leave behind after accepting a position with a family living in the previous German Colony of South West Africa now Namibia a job that entailed acting as house keeper with eventual matrimonial prospects involving the son of the house He George was still a medical student at that point in time going through considerable hardships mostly of a monetary nature his dire impoverishment prevented him from realizing his dearest wish namely marry Hedi and raising a family with her as his partner Sybil the daughter first sent him a calendar that he had presented to Hedi on the eve of her twenty first birthday where he had written down a selection of 22 of his early poems written in the French language collated especially for her After a lapse of 58 years which the calendar had spent in total darkness he held it in his hands once more a resurrected token of his lost youth and of his dead love The letters he received from Hedi during the period in question did not exist any longer In the early 1950s in response to the wishes of his wife Wanda who did not understand why he wanted to keep them and who he loved deeply and tenderly he burnt those witnesses of the teenage sentimental journey he had once undertaken along with the few small black and white photos of the girl that he had saved through the previous years He forgot the episode and in the end barely could remember if at all how Hedi had appeared to him when he knew her Life with his family which meanwhile had grown to five members was filled with joys work success sometimes with worries and disappointments Much later as Wanda became the victim of the Alzheimers Disease As an escape from the sorrows and despair that resulted from that developing tragedy he sought and explored that seemingly forgotten chapter of his past He did so using the Internet and succeeded in establishing contact with some people that lived in Ebern and showed sympathy toward his quest From them he learned of Hedis passing away in 1996 an unexpected and sudden realization that triggered off additional grief and sorrow First there had been mother who died in 1988 then came Wanda illness and finally Hedi who was not to be reached any more losing the women he had felt closest to during his life one after the other He traveled to Ebern that fall and saw the town again he met a number of survivors from the era he had lived there for a few short months He decided to call this journey a Pilgrimage and he wrote a book that reflected his reactions to the experiences he encountered his impressions sorrows and the reawakened nostalgia that resulted That initial piece of work was first of a series of eight volumes he had published in the that followed three years books mostly autobiographical in nature that also contained some of his verses and more poetic prose and a few of his unorthodox philosophical elaborations The Letters to my beloved Ghost is a sequence of contemporary comments on the background of the letters he received from Sybil After a longer passage relating to the Calendar as was mentioned earlier he

engaged in a review of the events of then moving along the chronology of the epistolary documents He sought and gained insights into what happened during those many years *Le tueur à gages : va-t-il se tourner vers un compte près de chez vous* Jamie Rumbolt, L quipage des moineaux voyager autour de mondes en terraformation En chemin vous rencontrerez des espions des pirates des marines des gardes forestiers et des insectes qui vous feront rire Avec une crature qu'ils croyaient être un bogue capable de mettre fin des mondes est-ce une crature Ou est-ce qu'un extraterrestre l'a envoyé pour mettre fin à l'humanité l'quipage du moineau s'en sortira-t-il vivant ou ne se rencontreront-ils jamais Jusqu'où l'quipage du moineau va-t-il avec ses amis sur les mondes extérieurs juste pour rester en vie Qui ou quoi se cache derrière la crature le cas échéant
