especially dedicated to those who will not have a chance to read them because they live in a suppression of freedom and often are not even aware that they are having Free will projections of the Oneness Met on my Path Light Bearers have assured me that those last mentioned will not be ignored but accessed and spiritually elevated in a more subtle way then rest of humanity I wish You all to attune to Sat Chit Ananda Truth of Existence Consciousness and Bliss and realize for now and ever that Tat Twam Asi Thou Art That      *Becoming a Mountain* Stephen Alter,2015-03-10 Hailed as a wondrous book by Gretel Ehrlich and winner of the Kekoo Naoroji Book Award for Himalayan Literature a journey of healing that becomes a pilgrimage for the soul Stephen Alter was raised by American missionary parents in the hill station of Mussoorie in the foothills of the Himalayas where he and his wife Ameeta now live Their idyllic existence was brutally interrupted when four armed intruders invaded their house and viciously attacked them leaving them for dead The violent assault and the trauma of almost dying left him questioning assumptions he had lived by since childhood For the first time he encountered the face of evil and the terror of the unknown He felt like a foreigner in the land of his birth This book is his account of a series of treks he took in the high Himalayas following his convalescence to Bandar Punch the monkey s tail Nanda Devi the second highest mountain in India and Mt Kailash in Tibet He set himself this goal to prove that he had healed mentally as well as physically and to re knit his connection to his homeland Undertaken out of sorrow the treks become a moving soul journey a way to rediscover mountains in his inner landscape Weaving together observations of the natural world Himalayan history folklore and mythology as well as encounters with other pilgrims along the way Stephen Alter has given us a moving meditation on the solace of high places and on the hidden meanings and enduring mystery of mountains      **A Hermit in the Himalayas** Paul Brunton,2016-12-15 The introductory account of Mr Brunton s pony back journey up the mountainside has real charm One of his most interesting chapters gives a practical minded consideration to the probable future of Tibet New York Times Paul Brunton was one of a very small number of his generation to travel in India and Tibet so extensively at a time when very few were doing so with such insight and discernment His journalistic skills produced magnificent descriptions of the snowy peaks and high desert landscapes of the Himalayan region but it was the lessons he learned from the holy men he met on his journey that transformed him into one of the great interpreters of the East In this magnificent spirituality classic he explains that we all need oases of calm in a world of storm no matter what era we are living in and that to retreat from our everyday lives for a while is not weakness but strength By taking the trouble to discover the deep silence within us we will find the benefits of being linked to an infinite power an infinite wisdom an infinite goodness A Hermit In The Himalayas is a fascinating blend of travel writing and profound spiritual experience As we accompany the author on his journey through the vast Himalayas ranges towards Mount Kailas in Tibet he also shows us an even more remarkable and timeless inner path which will help us cope with the ups and downs of our contemporary world      Mahayoga Swami Prakashananda,2012-08-01 Mystics and Sceptics Namita Gokhale,2023-01-18 It is best in one s sojourns across the Himalaya to be cautious in

chance encounters for one could well encounter a saint a siddha a madman or a charlatan Mystics and Sceptics edited by Namita Gokhale comprises essays on all of these This uniquely insightful anthology traverses the sacred geography of the Himalayan range encompassing different cultures and religious traditions in its living legacy Through myth legend and anecdotal memory it includes narratives of wanderers and seekers gurus and enlightened souls tricksters and delusionists The spiritual seekers discussed here include Guru Milarepa Neem Karoli Baba and Siddhi Ma Paramhansa Yogananda Swami Rama Guru Nanak Swami Vivekananda Haidakhan Baba Yeshe Tsogyal Lal Ded and Sri Madhav Ashish Also discussed are the sacred traditions of the dhuni and chimta the shakti peeths in the Himalayan region trance runners of Tibet and Bhutan and the Khasi rituals of divination and prophecy The stories herein are as varied as the flora and fauna of the mountains Some of them display the resilient scepticism that is the foundation of true belief others take a leap of faith There are encounters and quests wanderings and lost paths disappointments and betrayals but they carry the spirit of the seeker of the search and the continuing journey within them This book is a tribute to the mysteries of the Himalaya and the mystic secrets it contains Authors Holly Gayley Andrew Quintman W Y Evan Wentz Ranjit Hoskote Navtej Sarna Makarand R Paranjape Alexandra David Neel Rajiv Mehrotra Paramhansa Yogananda Sujata Prasad Romola Butalia Madhu Tandan Namita Gokhale Rene von Nebesky Wojtkowitz Swami Rama Devyani Mungali Bhushita Vasistha Sidharth Tsering Dondrup Jono Lineen Tshering Tashi Bijoya Sawian Alka Pande and Vaibhav Kaul      *Immortal Self* Aaravindha Himadra,2018-04-01 In the summer of 2006 Aaravindha Himadra traveled deep into the interior of the Himalayan Mountains to a secret valley where he lived among the Amartya Masters the reclusive keepers of an ancient lineage of spiritual mysticism To answer their invitation he endured a daunting trek across rugged remote mountains where he eventually came to their protected valley home a place where our world s most profound spiritual truths still exist in wholeness *Immortal Self* is a riveting account of Aaravindha s remarkable journey and his visit to this sacred land Divulged here for the first time are the teachings of a legendary and secluded spiritual tradition truths that transcend the illusion of our accepted reality and offer a beacon of hope for all seekers Here is a transformative story that will invite you to challenge your preconceptions open your heart and receive the wisdom that your soul has always known When the last obstruction to the truth of our existence falls but one power remains the power of Supreme Love      *Immortal Self* Aaravindha Himadra,2013 In the summer of 2006 Aaravindha Himadra traveled deep into the interior of Himalayan Mountains to a secret mythic like valley where he lived among the Amartya Masters a highly reclusive lineage of ageless beings Enduring a daunting trek across the rugged remote mountain peaks he eventually entered their protected valley home where our world s most ancient spiritual truths still exist in wholeness Through a series of extraordinary experiences and conversations he was given access to their most valued and enigmatic knowledge knowledge that has never before been revealed to the world This book is the chronological account of the events that took place during that visit      Himalayan Lust Sadhguru,2009-01-01 Every year a group of Isha meditators

sets out on a tour of the Himalayas Accompanying them on this journey is Sadhguru a spiritual master considered by many to be one of the foremost living yogis on the planet This is a book for those who stayed behind It is a chance to make a pilgrimage on the page travelling through the unpredictable but fascinating terrain of the master s words Amalgamating discourses and conversations from several yatra's it is a blend of the specific and the timeless This book is not just about the Himalayas And yet the book would never have happened without the Himalayas The mountains play a vital role in the text alternately as context and catalyst mood and metaphor Without them some of the questions in this book would never have been asked Even if they sometimes seem tangential to the line of enquiry they remain a powerful subterranean presence eventually becoming the very bedrock of this book

**If Truth Be Told: A Monk's Memoir** Om Swami,2014-11-26 In the 1990s an eighteen year old headed to Australia to realize his worldly dreams With little money or support he struggled to survive there Two years later he was earning an annual income of 250 000 by the age of twenty six he was a multimillionaire Yet worldly success was merely a way station on a journey that began years ago As an eight year old he saw a vision of God in a dream an experience that left him with a sense of deep joy and peace The dream triggered off his desire to meet God to see a manifestation of the Divine He practiced astrology intense meditation and tantra yet God was nowhere in sight Deeply frustrated he dived into materialistic pursuits to distract himself from the restlessness within After years of living the good life he found he could no longer ignore the old restlessness worldly pleasures just couldn t fill the void within He moved back to India and finally did what he had always yearned to do renounce the world and become a monk In the Himalayas in terrifying silence and solitude Om Swami practised intense meditation Death was always close as he confronted starvation the fierce elements and wild animals Finally his sadhana brought him to the ultimate realization I am what I have been seeking This is an astounding memoir of the making of a spiritual life in today s challenging and often confusing times
