Side Of The Road A Hitchhikers Guide To The United States:

Side of the Road Ben Lobo, Sara Links, 1972-01-01 **Unhomed** Pamela Robertson Wojcik, 2024-04-23 In this rich cultural history Pamela Robertson Wojcik examines America's ambivalent and shifting attitude toward homelessness. She considers film cycles from five distinct historical moments that show characters who are unhomed and placeless mobile rather than fixed characters who fail resist or opt out of the mandate for a home of one's own. From the tramp films of the silent era to the 2021 Oscar-winning *Nomadland* Wojcik reveals a tension in the American imaginary between viewing homelessness as deviant and threatening or emblematic of freedom and independence. Blending social history with insights drawn from a complex array of films both canonical and fringe Wojcik effectively unhomes dominant narratives that cast aspirations for success and social mobility as the focus of American cinema reminding us that genres of precarity have been central to American cinema and the American story all along. *The Routledge Companion to American Film History* Pamela Robertson Wojcik, Paula J. Massood, 2025-02-12 Presenting new and diverse scholarship this collection brings together original essays that explore American film history from a fresh perspective. Comprising an introduction and 34 chapters written by leading scholars from around the globe and edited by Pamela Robertson Wojcik and Paula J. Massood this collection offers discussions of the American film industry from previously unexplored vantage points. Rather than follow a chronological format as with most film histories this Companion offers a multiplicity of approaches to historiography and is arranged according to often underdeveloped or overlooked areas in American film including topics such as alternate archives hidden labor histories of style racialized technologies cinema's material cultures spectators and fans transnational film production intermedial histories history in and about films and the historical afterlives of cinema. An exciting collection for serious film studies students and scholars interested in new perspectives and fresh approaches to thinking about and doing American film history. **Even Cowgirls Get the Blues** Tom Robbins, 2003-06-17 This is one of those special novels a piece of working magic warm funny and sane. Thomas Pynchon. The whooping crane rustlers are girls. Young girls. Cowgirls as a matter of fact all bursting with dimples and hormones and the FBI has never seen anything quite like them. Yet their rebellion at the Rubber Rose Ranch is almost overshadowed by the arrival of the legendary Sissy Hankshaw a white trash goddess literally born to hitchhike and the freest female of them all. Freedom its prizes and its prices is a major theme of Tom Robbins's classic tale of eccentric adventure. As his robust characters attempt to turn the tables on fate the reader is drawn along on a tragicomic joyride across the badlands of sexuality wild rivers of language and the frontiers of the mind. [Hitchhiking in America: Using the Golden Thumb](#) Dale Carpenter, 2013-08-31 Though it tends to be looked down upon as a trivial activity confined to vagrants the feeble minded sex maniacs and serial killers hitchhiking needs to be re-valued as a means to an end transportation and self education and as an end in itself as suggested by Jack London's wonderful paragraphs quoted at the top of p 35. This is a source book not just a casual handbook and by its appeal to a long tradition it gives hitchhiking well.
