**Parenting while Autistic** Wendela Whitcomb Marsh, 2023-12-05 If anyone suggests that autistic people should not have children in the mistaken belief that they would not be good parents because of their neurodiversity they are wrong Completely wrong This is not to say that every autistic person should have a child any more than every neuro majority person should People usually know for themselves whether or not they want to become parents and if they don't they shouldn't It's as simple as that Of course that doesn't mean that every moment will be sunshine rainbows and cute cuddly babies who sleep all night and never throw their oatmeal on the floor Babies are just teenagers on hold and teenagers are adults in waiting At every step in the growing up process there will be hard times and there will be joyful times Parents have made this same journey since people began peopling and the journey will continue after our children's children have grandchildren of their own We're part of a huge spectrum of parenting through the ages Isn't it a wonder and a privilege to be a link in this chain Having a different brain as autists ADHDers and AuDHDers do does not mean that you shouldn't be part of this link if your heart leads you to parenting You'll be amazing You and I both know though that being neurodivergent in a neuro majority world is not easy Parenting isn't easy either but you can do difficult things You've been doing them all along haven't you Parenting is just one more challenge you can manage and it's worth it This book is here to help you navigate the unique aspects of parenting while autistic Throughout the book you'll find side trips to focus on various aspects of parenting while autistic Here's a description of each one Sensory Smarts In this section we'll discuss some of the sensory issues related to different stages of the parenting journey You'll find strategies for coping with heightened sensory reactions Make Family Meetings Fun Your family's need for Family Meetings and what you will focus on in these meetings will change as your children grow Keep up with their needs and yours while making it fun for everyone Weekends That Work You deserve a break at the end of a busy week and so do your kids How can you create the kind of weekend that works for all of you You'll find tips in this section Fictional Families Throughout the book the topics and challenges at your child's developmental stages will be illustrated by fictional families who like you are parenting while autistic Follow them on their journeys and see what you may have in common with them Parent To Parent It's important to listen to the authentic voices of actually autistic parents Here you will find words of wisdom from neurodivergent moms and dads who have walked the ND parenting path before you and who want you to succeed too You've got this Let's go

*The Blessings of Poverty* Diane Boone, 2013-07-25 To being with please understand that I do realize how paradoxical the title of this work may seem In fact I can hear the astonished question you may be asking just now Poverty a blessing How can that be Well let's go to the dictionary and see if the definition of the word blessing can help answer that question In Webster's New

Collegiate Dictionary we find the following entry next to the word blessing a thing conducive to happiness or wellbeing Most of us are so focused on the happiness part of the definition that we only see Gods hand of blessing when were happy we forget that not everything conducive to our wellbeing makes us feel happy Just as a loving parent will bless their child with both comforts and discipline so God blesses us with both comforts and challenges As I look at the lives of my family and myself I can see how God has strengthened our walk with Him through our financial struggles Because of this fact I say with assurance that financial struggles can be used of the Lord to truly bless us Next I want to ask you to take my use of the word poverty with the proverbial grain of salt as my intent is to use the term in a very tongue in cheek manner Ive actually heard of individuals complaining because they have to choose between landscaping their newly built home or taking a second vacation this year or lamenting the fact that times are so hard they have to cut their annual vacation to Hawaii from the usual four weeks to only two weeks The truth is many many people sharing our world would be ecstatic to have the standard of living that most of us are enjoying So viewed from their perspective wouldnt it seem that if we have a roof over our heads proper clothing to wear and eat three meals a day were doing pretty well for ourselves Its also true that God has spread His children throughout the world in different cultures with different gifts and with different incomes There is nothing wrong with having a comfortable income or owning lovely things And there is certainly nothing wrong with working hard to provide for your family In fact many Godly people mentioned in scripture had a great deal of wealth Abraham Isaac Joseph Job King David and Joseph of Arimathea are just a few that spring to mind There are also many Godly people mentioned in scripture who had very little wealth Mary Joseph the beggar Lazarus the widow with her two mites and our Lord Himself There is nothing inherently more spiritual with one state or the other Those with wealth need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me and how successful Ive been And its been very interesting for me to realize that those with modest incomes also need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me getting along on a small income must somehow make me more spiritual than the wealthy Did you know that when the Lord was on earth one of His most frequent topics of discussion was money He never condemned wealth He condemned the preoccupation with wealth and the belief that a persons worth or security comes from amassing huge amounts of wealth Regardless of whether we have a large amount of this worlds goods or a small amount it all belongs to God We need to use whatever we do have to further Gods kingdom and honor Him by caring for our families and reaching out to those in need And all of us need to embrace the truths found in Matthew 6 25 34 and find our security in the wonderful care of our loving Heavenly Father I myself was raised in a Christian home by parents who were quite well off financially I just never realized it until I was almost finished with high school Im sure this is partly because Im not a very visual person so I tended not to notice or compare things as much as others But I really think that it wa **Queen of the Castle** Lynn Bowen Walker,2006-05-30 Being a keeper at home demands that women possess a wide range of skills
