chosen people is a model of the way that He treats with saved but rebellious individuals In 1 Pet 4 17 18 Peter said For the time is come that judgment must begin at the house of God and if it first begin at us what shall the end be of them that obey not the gospel of God And if the righteous scarcely be saved where shall the ungodly and the sinner appear Ezekiel s story of the whirlwind is the account of the reason for God s judgment of the nation of Israel and corresponds perfectly with Peter s statement that judgment must begin at the house of God That nation was outwardly committed to God They maintained that they trusted in God but they were guilty of being like neighboring nations     **Forty Coming Wonders** Michael Paget Baxter,1887     **Forty Future Wonders of Scripture Prophecy** Michael Paget Baxter,1923     *before & after our bodies* Phil SaintDenisSanchez,2025-01-07 Phil SaintDenisSanchez s debut collection before after our bodies tackles complex familial history and struggles emerging in the rich backdrop of New Orleans Louisiana Through multilayered language and immersive imagery SaintDenisSanchez interweaves political and social issues from the lasting impacts of colonialism to environmental disaster with intensely personal narratives of love learning and loss The long lyrical form and enrapturing poetic voice draw you in and refuse to let you go before after our bodies maps a stunningly poignant family tree and gets at the root of the social forces that shaped its growth     **Winning the Worry Battle** Barb Roose,2018-04-17 Have you ever tried to fight worry with faith and felt you were losing the battle Have comments like God s got this or Just pray about it only left you feeling more burdened We know we shouldn t worry but the reality is that we all do at times Whether it s personal worries about loved ones and daily circumstances or broader concerns about what s happening in the world we long for something more than platitudes that will help us put real feet to our faith and win the worry battle Many Christians do not have a full understanding of what it means to fight the good fight of faith They try to live by faith but in the face of everyday trials and failures they find themselves disillusioned and discouraged wondering if they have done something wrong or if living by faith only works for others The problem for most is simply a lack of understanding regarding what faith is and how it works This book inspired by the Book of Joshua reviews three steps a person can take to Fight In Faith 1 embrace God s promises 2 steep your heart in courage and 3 act in obedience to God s commands Just as God gave His people victory over their enemies when they fought in faith He promises to do the same for us Following the footprints of bold courageous faith that God gave His people we ll be equipped with tools to bravely fight in faith and overcome both our daily struggles and the bigger battles we all face Through examples of how God gave the Israelites victory over their enemies and generously blessed them too we ll be victorious in our fight of faith so that we not only radically transform our own lives but unequivocally impact society A companion six week Bible study Joshua Winning the Worry Battle is also available for those who would like to dig deeper into the book s topic Study components each available separately include a Participant Workbook with five days of lessons per week Leader Guide and DVD with six 20 25 minute sessions with closed captioning
