

When the Thunderbolt Riders of the Frontier Series  
He came West to be a hero. In the heat and dust  
he found the meaning of war—and courage.

# SIEGE AT FORT DEFIANCE

JOHN LEGG

# Siege At Fort Defiance

**Donald R. Hickey**

## **Siege At Fort Defiance:**

**Siege at Fort Defiance** John Legg,1994-10-14 Vowing to follow the rules to the letter when he leaves for Fort Defiance in the New Mexico Territory First Lieutenant Edward Artbruster discovers how little room there is for regulations on the brawling frontier Original

**The Dakota War** Micheal Clodfelter,2015-07-25 As the United States fought the Civil War in the early 1860s the country s western frontier was simultaneously the site of significant military campaigns that took the lives of both American and Sioux The Dakota campaign led by Commander Henry Hastings Sibley and Brigadier General Alfred Sully against the Sioux between 1863 and 1864 was greater in scope intensity and bloodshed than almost all other Indian battles fought in the West but is often overlooked The Minnesota War of 1862 and the Dakota War of 1863 1865 were among the most significant U S victories in the Indian wars but did not temper the passions of the Sioux to preserve their people and land or the desires of the whites to settle the frontier The wars only incited the Teton Sioux to enter into a long term resistance that would end only at Wounded Knee in 1890

**The War of 1812, A Short History** Donald R. Hickey,2012-11-30 This abridged edition of Donald R Hickey s comprehensive and authoritative The War of 1812 A Forgotten Conflict has been thoroughly revised for the 200th anniversary of the historic conflict A myth shattering study that will inform and entertain students and general readers alike The War of 1812 A Short History explores the military diplomatic and domestic history of our second war with Great Britain bringing the study up to date with recent scholarship on all aspects of the war from the Gulf of Mexico to Canada With new information on military operations logistics and the use and capabilities of weaponry The War of 1812 A Short History explains how the war promoted American nationalism reinforced the notion of manifest destiny stimulated peacetime defense spending and enhanced America s reputation abroad Hickey also concludes that the war sparked bloody conflicts between pro war Republican and anti war Federalist neighbors dealt a crippling blow to the independence and treaty rights of American Indians and solidified the United States antipathy toward the British Ideal for students and history buffs this special edition includes selected illustrations maps a chronology of major events during the war and a list of suggested further reading

The Battle-fields of the Republic Henry William Harrison,1857

*The Canadian Theater, 1813* Richard V. Barbuto,2013

**Echoes of the Frontier** Pasquale De Marco,2025-07-26 The American frontier was a place of both opportunity and danger where fortunes could be made and lives could be lost It was a region of conflict and violence but it was also a place of innovation and growth In this book we will explore the history and culture of the American frontier from its beginnings in the colonial era to its legacy in the present day We will begin by examining the Native American cultures that existed on the frontier before the arrival of European settlers We will then trace the history of European exploration and settlement of the frontier from the first Spanish expeditions in the 16th century to the westward expansion of the United States in the 19th century We will also explore the impact of the frontier on American culture The values of individualism self reliance and independence that are so often associated with the

United States today can be traced back to the frontier experience The frontier also contributed to the development of American literature art and music Finally we will consider the legacy of the frontier in the present day The frontier is largely gone but its legacy continues to shape American culture and identity The values of individualism self reliance and independence that were born on the frontier are still alive today and they continue to play a major role in shaping the United States Echoes of the Frontier is a comprehensive and engaging exploration of the American frontier This book is essential reading for anyone who wants to understand the history and culture of the United States If you like this book write a review

The War of 1812 Reginald Horsman,1969      **Library of Congress Subject Headings** Library of Congress,Library of Congress. Office for Subject Cataloging Policy,2012      American Traitor Howard W. Cox,2023 This book examines the career of the notorious Gen James Wilkinson the highest ranking US official ever tried for treason and espionage Wilkinson s military career began during the Revolutionary War and he served with nearly every president and major military figure during the first forty years of US history As he rose to the rank of commanding general of the US Army Wilkinson betrayed virtually everyone he worked for or with to advance his career and finances He was a handsomely paid spy for Spain plotted to have western territories split from the United States and accepted kickbacks from government contractors His negligence and greed also caused the largest peacetime disaster in the history of the US Army This book focuses on Wilkinson as a spy and makes unique contributions with its in depth analysis of how Wilkinson survived his 1811 court martial trial Cox concludes that the prosecution deliberately lost the case to ensure Wilkinson s acquittal in order to cover up presidential failures      **The Great West** Henry Howe,1858      **Historical Collections of the Great West** Henry Howe,1873 Details the history of the Western United States with emphasis on travel explorations and geographic discoveries      History of the Late War in the Western Country Robert Breckinridge McAfee,1919      *History of the Late War in the Western Country* Breckinridge Robert Breckinridge McAfee,2009-09-23      **The Battle of the Alamo** Steven Otfinoski,2019 Vivid storytelling brings American history to life and place readers in the shoes of twelve people who experienced an iconic moment of U S history the Battle of the Alamo In early 1836 a small group of Texas volunteer soldiers occupied the Alamo fort and withstood a 13 day siege by a massive Mexican Army force Suspenseful dramatic events unfold in chronological interwoven stories from the different perspectives of people who experienced the event while it was happening Narratives intertwine to create a breathless What s Next kind of read Students gain a new perspective on historical figures as they learn about real people struggling to decide how best to act in a given moment      Indian War Sites Steve Rajtar,2015-07-11 From the Seminole Wars to the Little Big Horn the history of America s native peoples and their contacts with those seeking to settle or claim a new land has often been marked by violence The sites of these conflicts unlike many sites related to the American Revolution and the War Between the States are often difficult to locate and information on these battles is frequently sketchy or unclear This reference work provides essential information on these sites The arrangement is by state with sections for Canada and

Mexico Each entry has information about how to find the site tours museums and resources for further study In addition there is a chronological list of battles and other encounters between Indians and non Indians including dates location in the text and the larger conflict of which each battle was a part There is an index of battle locations and an index of prominent people involved The bibliography and site listings are cross referenced for further research [Don't Give Up the Ship!](#) Donald R. Hickey,2024-03-18 No longer willing to accept naval blockades the impressment of American seamen and seizures of American ships and cargos the United States declared war on Great Britain The aim was to frighten Britain into concessions and if that failed to bring the war to a swift conclusion with a quick strike at Canada But the British refused to cave in to American demands the Canadian campaign ended in disaster and the U S government had to flee Washington D C when it was invaded and burned by a British army By all objective measures the War of 1812 was a debacle for the young republic and yet it was celebrated as a great military triumph The American people believed they had won the war and expelled the invader Oliver H Perry became a military hero Francis Scott Key composed what became the national anthem and commenced a national reverence for the flag and the U S S Constitution Old Ironsides became a symbol of American invincibility Every aspect of the war from its causes to its conclusion was refashioned to heighten the successes obscure the mistakes and blur embarrassing distinctions long before there were mass media or public relations officers in the Pentagon In this entertaining and meticulously researched book by America s leading authority on the War of 1812 Donald R Hickey dispels the many misconcep tions that distort our view of America s second war with Great Britain Embracing military naval political economic and diplomatic analyses Hickey looks carefully at how the war was fought between 1812 and 1815 and how it was remembered thereafter Was the original declaration of war a bluff What were the real roles of Canadian traitor Joseph Willcocks Mohawk leader John Norton pirate Jean Laffite and American naval hero Lucy Baker Who killed the Shawnee chief Tecumseh and who shot the British general Isaac Brock Who actually won the war and what is its lasting legacy Hickey peels away fantasies and embellishments to explore why cer tain myths gained currency and how they contributed to the way that the United States and Canada view themselves and each other [The USS Carondelet](#) Myron J. Smith, Jr.,2010-04-13 The USS Carondelet had a revolutionary ship design and was the most active of all the Union s Civil War river ironclads From Fort Henry through the siege of Vicksburg and from the Red River campaign through the Battle of Nashville the gunboat was prominent in war legend and literature This history draws on the letters of Ensign Scott Dyer Jordan and Rear Adm Henry Walke s memoirs [Forts of the United States](#) Bud Hannings,2020-10-02 From forts to blockhouses garrison houses to trading posts stations to presidios missions to ranches and towns this work provides a history of the primary fortifications established during 400 tumultuous years in what would become the United States of America Under each state s heading this substantial volume contains alphabetized entries with information regarding each structure s history The earliest forts established by the Danes Dutch English French Portuguese Swedes and Mexicans and by the

temporary appearance of the Russians are listed The colonial American forts many of which were previously established by the European powers are covered in detail Beginning with the American Revolution each of the American military fortifications militia forts settlers forts and blockhouses is listed and described Helpful appendices list Civil War defenses and military hospitals of Washington D C Florida Seminole Indian war forts Pony Express depots Spanish missions and presidios and twentieth century U S forts posts bases and stations A chronology of conflicts that paralleled the growth of the United States is also provided offering insight into the historical context of fort construction      Museum Echoes Ohio State Museum,1928      **History of Allen County, Indiana** Thomas B. Helm,1880
