Siegfried Libretto German English:

Siegfried ... Libretto in German by Richard Wagner. English translation, synopsis and thematic guide by William Mann
Richard Wagner, William Somervell MANN, 1964 Inside the Ring John Louis DiGaetani, 2015-03-14 Once tainted by association with Hitler and Nazism Richard Wagner's work has experienced an international cultural renaissance in the last 25 years His magnum opus *Der Ring des Nibelungen* which took him over 20 years to finish is a complex tale with themes of greed corruption and loss spun out in more than 16 hours of powerfully moving opera This book with provocative essays for both the uninitiated and the seasoned fan examines Wagner's Ring cycle from a wide array of modern perspectives Divided into six parts this anthology first offers a foundation for the Ring with a chronology and an introduction along with a look at Wagner as an enterprising marketer Part Two explores different interpretations of the Ring with reference to politics romanticism and international inspirations Part Three studies the complex relationship between Wagner's Ring and Germany with a summary of the opera's influence on German culture and a discussion of its Munich premiere Part Four offers a production history including studies of the Ring's effects in America and its influence on world literature Part Five provides a technical examination of language in the Ring as well as an interview with the famous Wagnerian soprano Jane Eaglen The book concludes with an essay on the trouble with Wagnerian opera and an overview of the recorded Ring on disc video and print
